Life does not begin after
high school
It's the upward climb now,
in all you do, in all you are

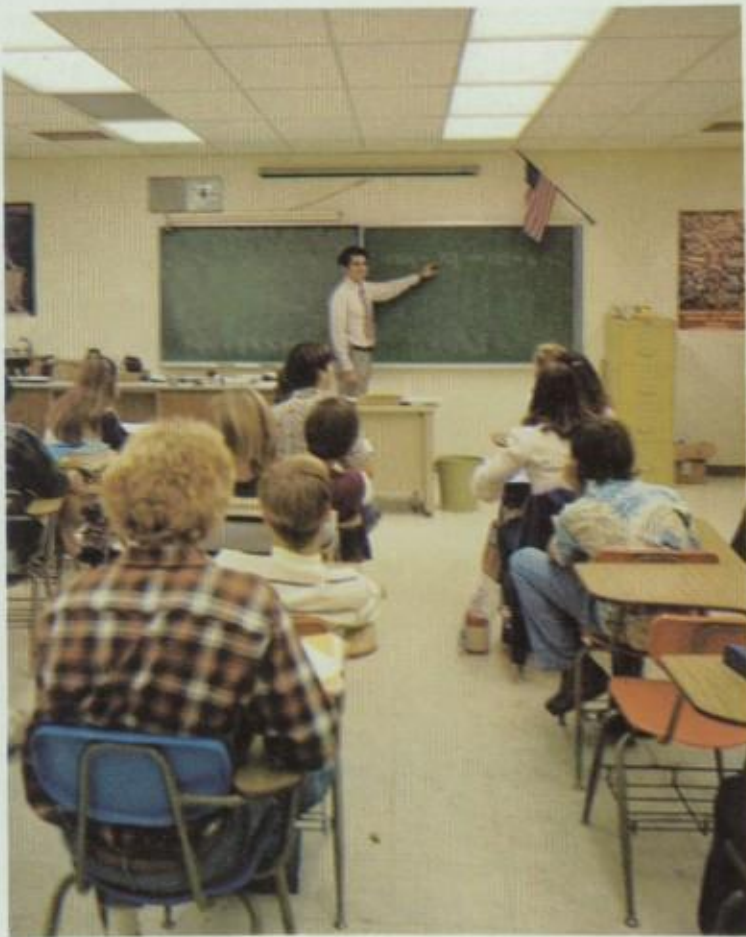

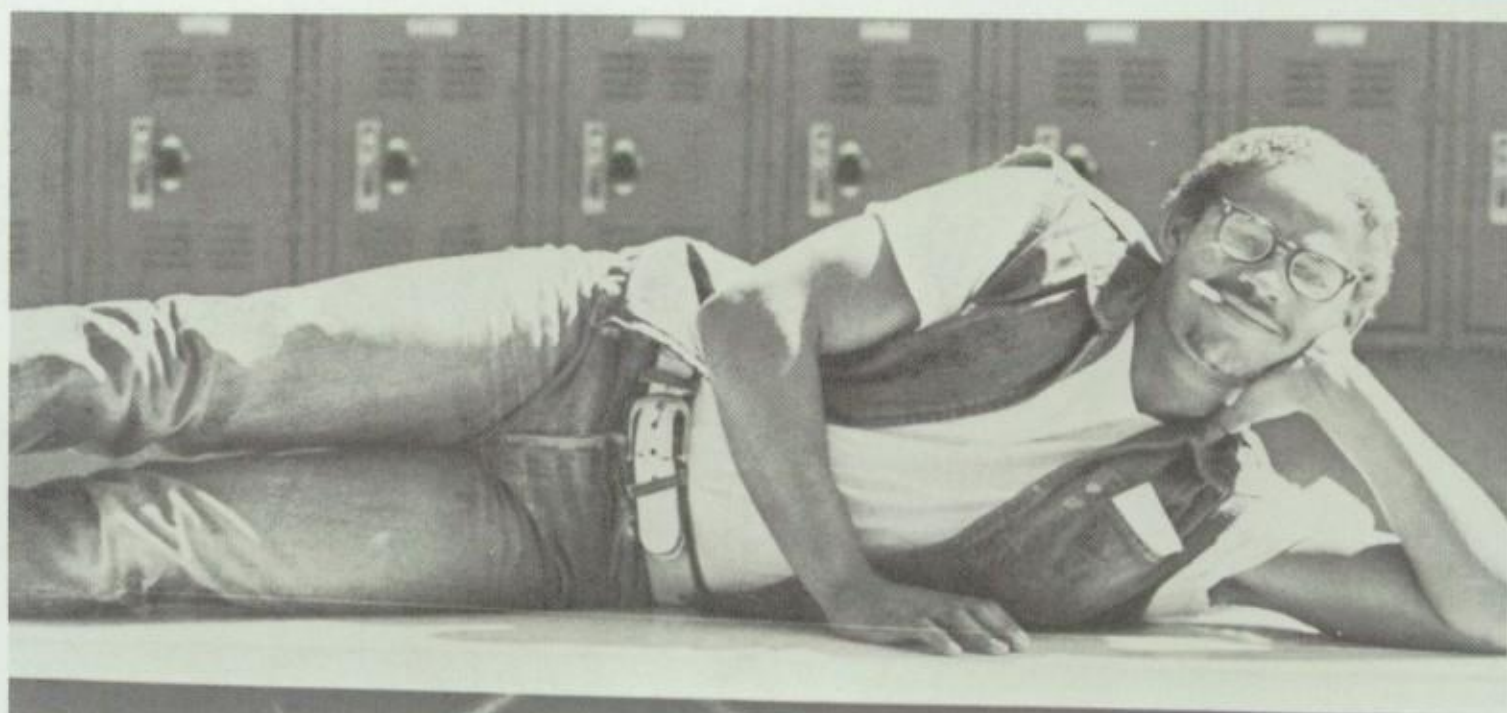

You are shaping your life
with every thought,
every experience
The thrill of your climb
is getting there.

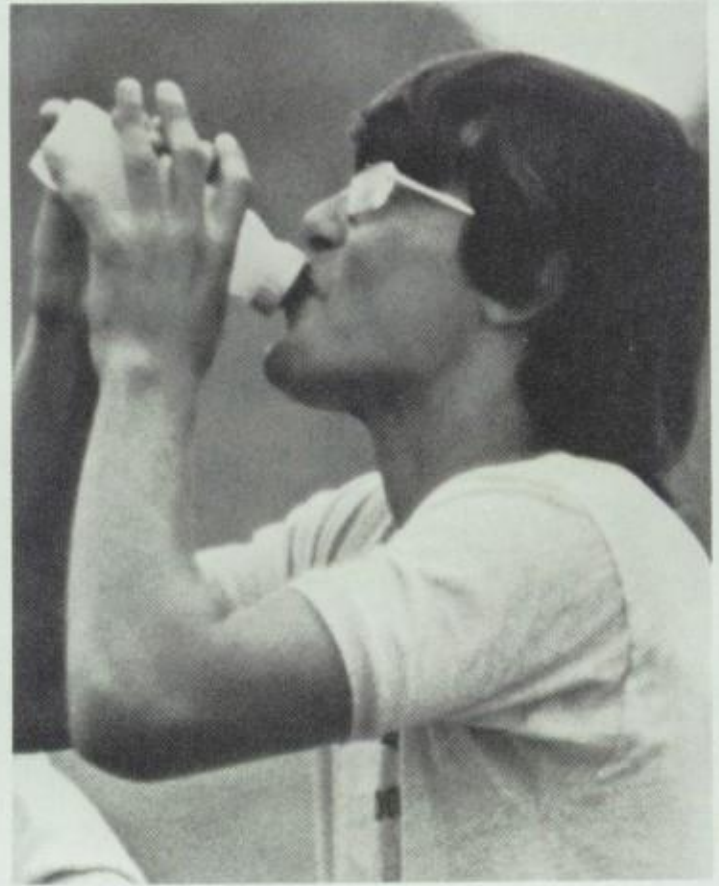

The climb is marked
along the way.
There are others to help you
You needn't travel alone.

You are learning
alternate paths
from which to choose.
The course isn't always clear,
but the direction is upward.

The boys, Hiroaki Tanaka, Jose Mayen, and Henri Yandum are from Japan, San Salvador, and Ecuador respectively. Ayub and Schlaffer came to the country as American Field Service students, while Mayen, Tanaka, and Yandum came by way of the Youth For Understanding program. Spirit Week accents Homecoming festivities

Spirit Week led the way for Homecoming festivities with the varsity cheerleaders organizing events which took place during the week of Oct. 14-18.

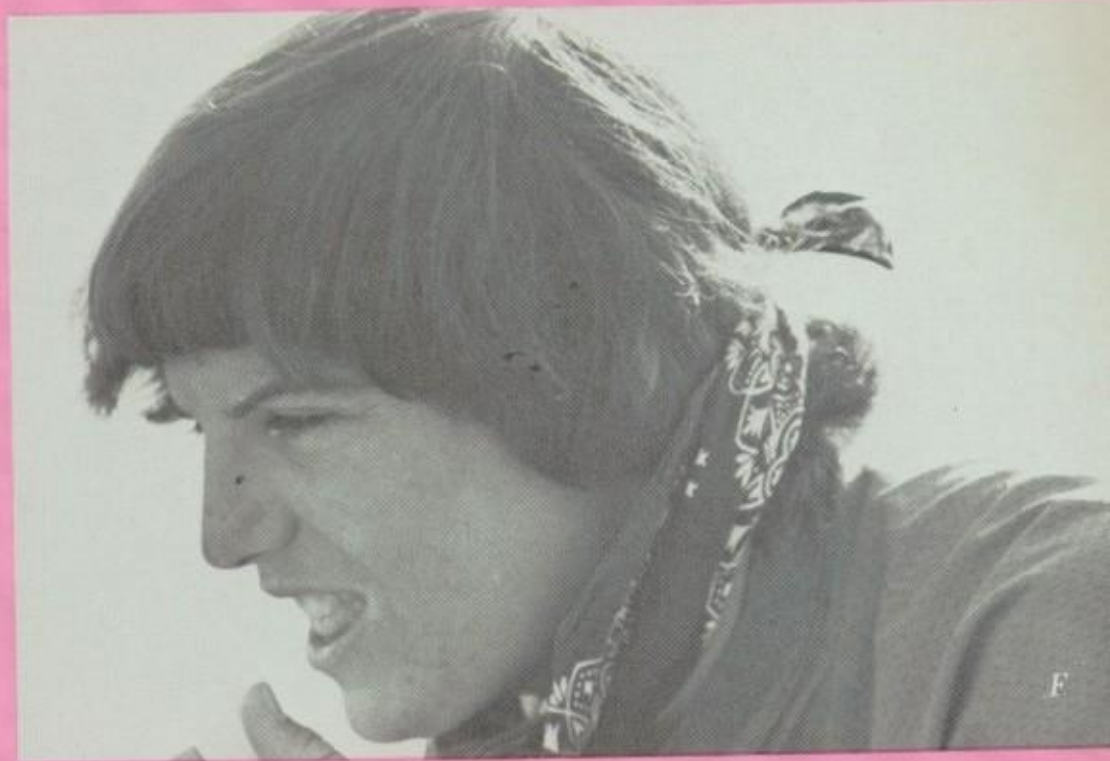

Blue and Gold Day started off the celebration with students and faculty encouraged to dress in school colors. Varsity football players and cheerleaders were auctioned off at the Slave Sale held Tuesday during both lunch periods. Slaves were required to report to their masters on Wednesday which was Hillbilly Day. Throughout the day, corn-cob pipes and overalls with patched pockets were seen on campus.

The week continued with 50's Day on Thursday when students donned the high school grab of their parents and came to school with pony tails and bobby socks or greased hair and leather jackets.

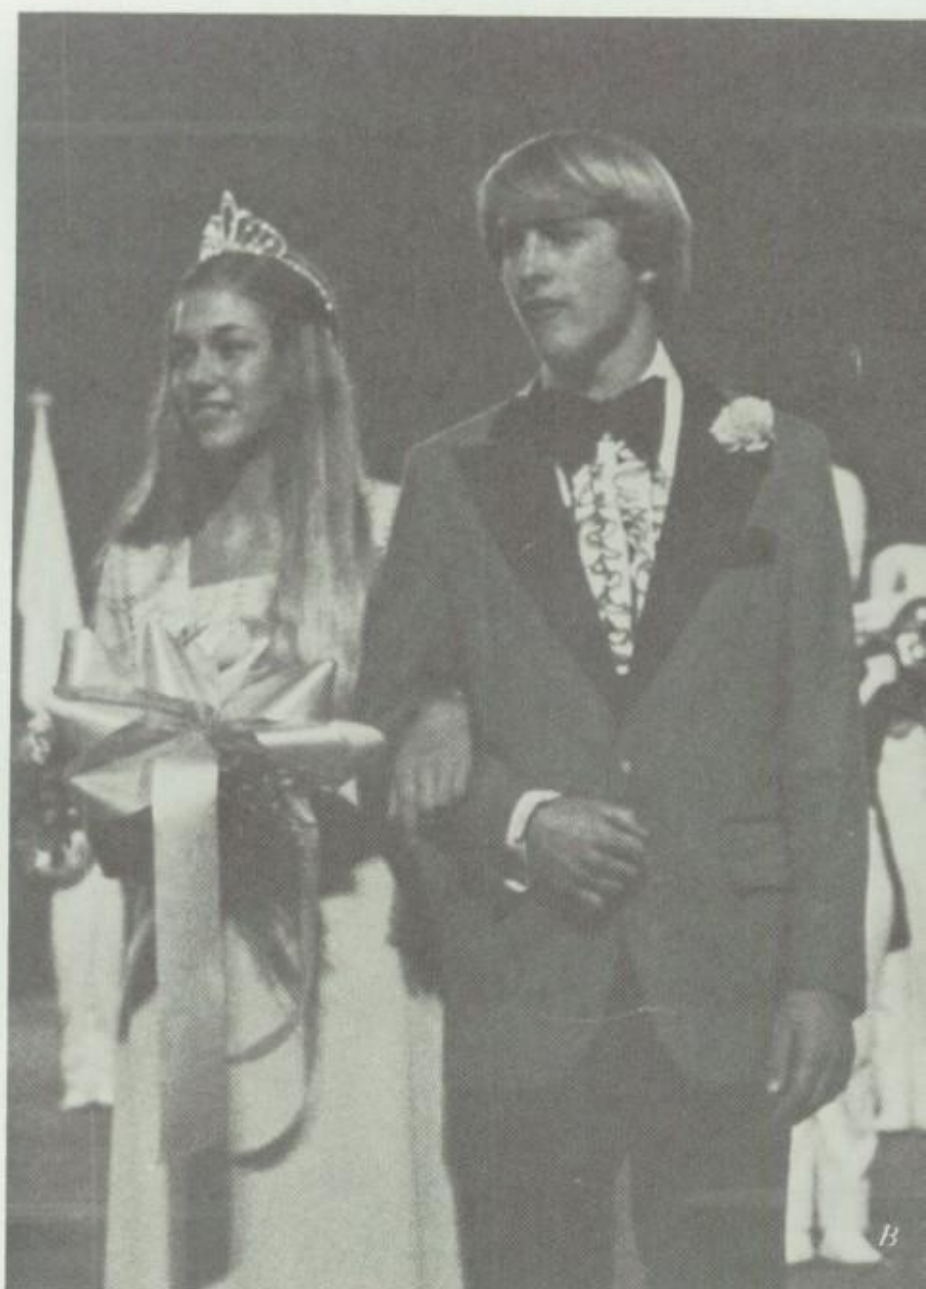

Spirit Week ended with a Spirit Breakfast Friday morning and a pep assembly third period. Golden Eagle alumni cheerleaders returned and combined with the present yell leaders to produce spirit for the crowd.

Throughout the seven day period, each class and the Interact Club worked on their prospective Homecoming floats. The floats carried out the theme "The Great Gatsby" and were constructed out of napkins, flat-bed trucks, and paint.

With the graduation of it's first class now an event of the past, San Pasqual High School held it's first authentic Homecoming Oct. 18, as the crowd cheered the varsity football team to a 33-14 victory over the Fallbrook High School Warriors.

Anne McNamee and Bob Socin, queen and king, reigned over the event with a royalty court consisting of Bernie Wolfe and Rosie Bastien, senior class prince and princess; Dale Van Dam and Carol Telfer, representatives of the junior class; Garth Wilson and Liz Kalina, members of the sophomore class; and Jim Woods and Nancy Dilworth from the freshman class.

Alumnae cheerleaders, a float parade, and a show by the Golden Eagle Band and Drill Team added to the celebration, based on the theme of "The Great Gatsby."

The float parade, which preceded the half-time ceremony, consisted of vehicles decorated by the four classes with a special entry from the Interact Club. Winning the award for the best and most original float were the freshmen, who dressed as members of the Al Capone gang, carried their "machine gun" float.

The finale to homecoming came Saturday night with a dance at the Orange Glen High School gym, where students danced to music by "Stomp, Inc." until midnight.

Assemblies highlight major sports events

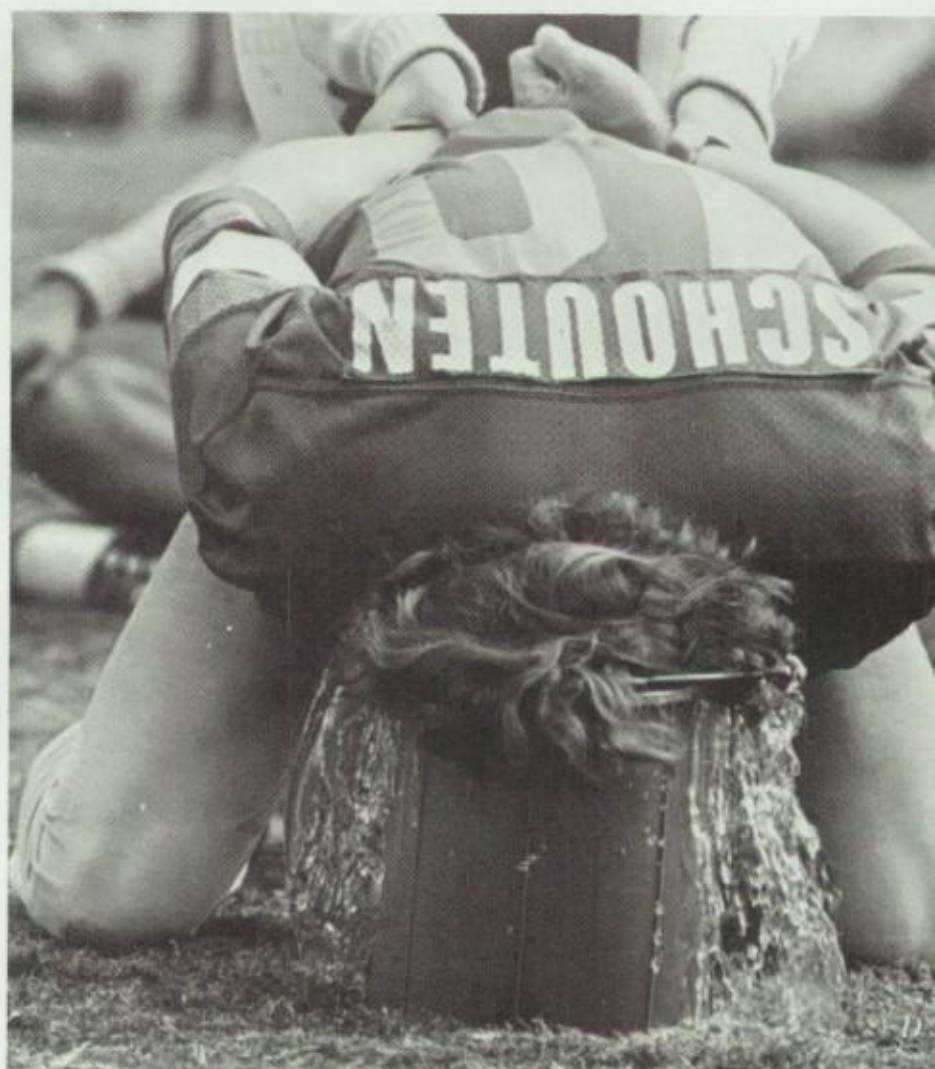

Combine together skits, sports, laughter, and cheers and the finished product is a San Pasqual High School pep rally.

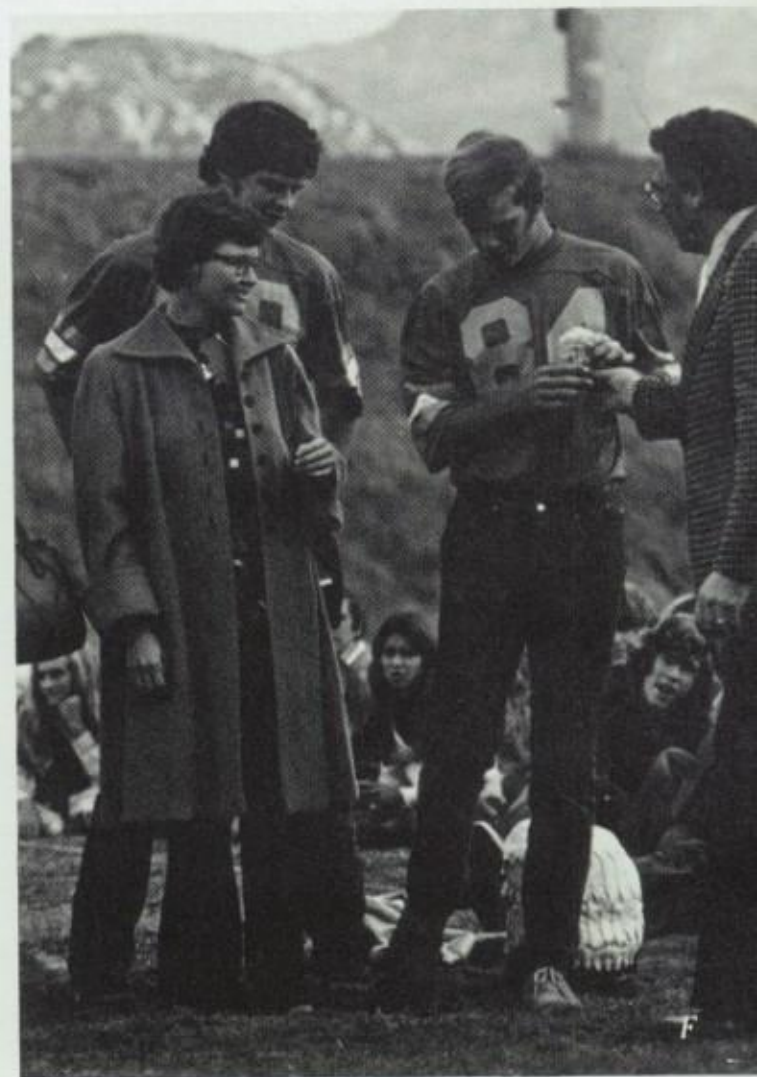

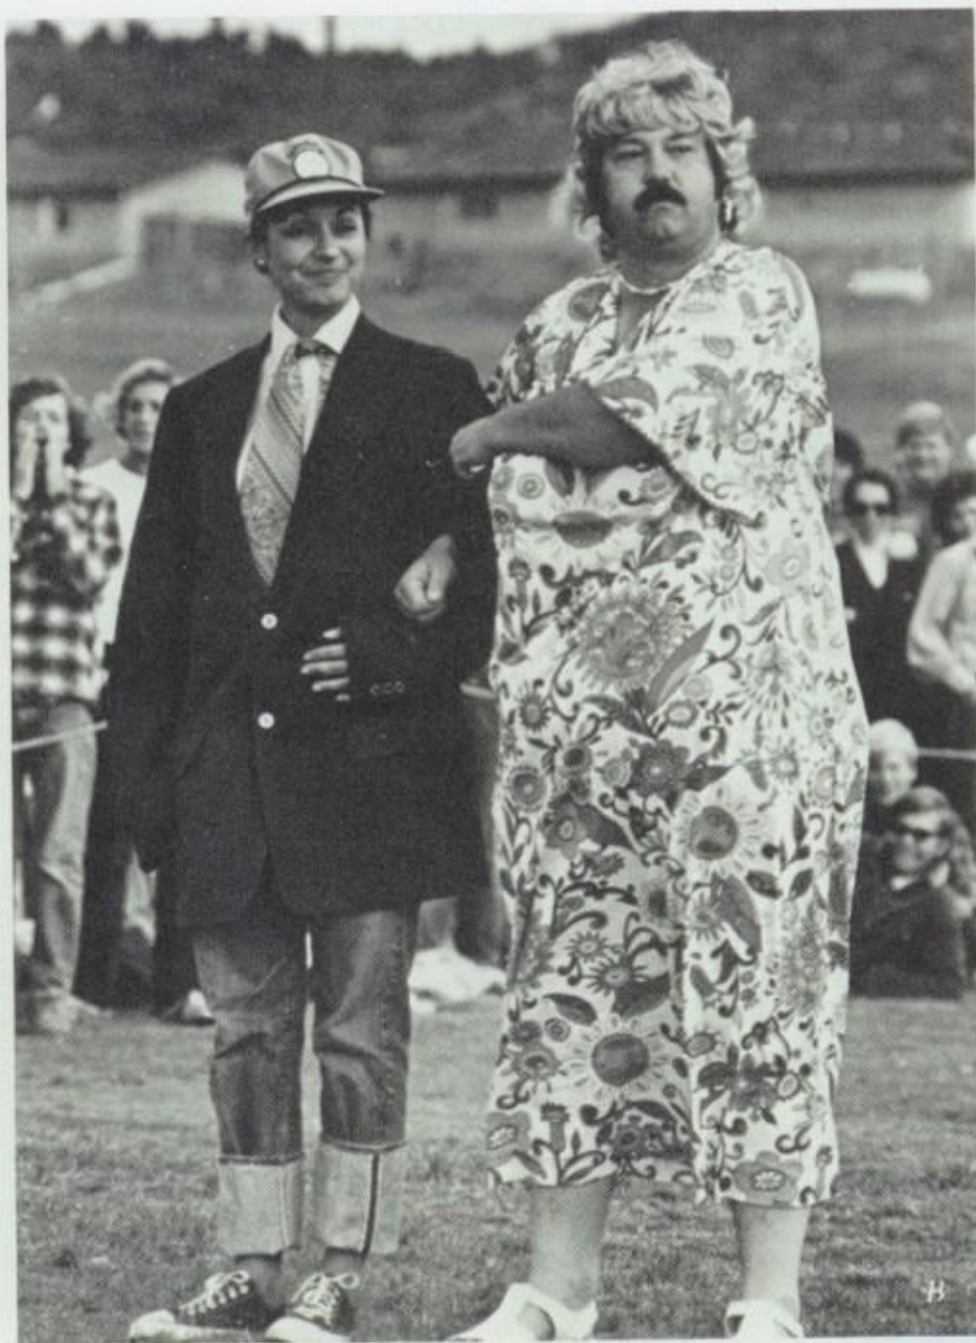

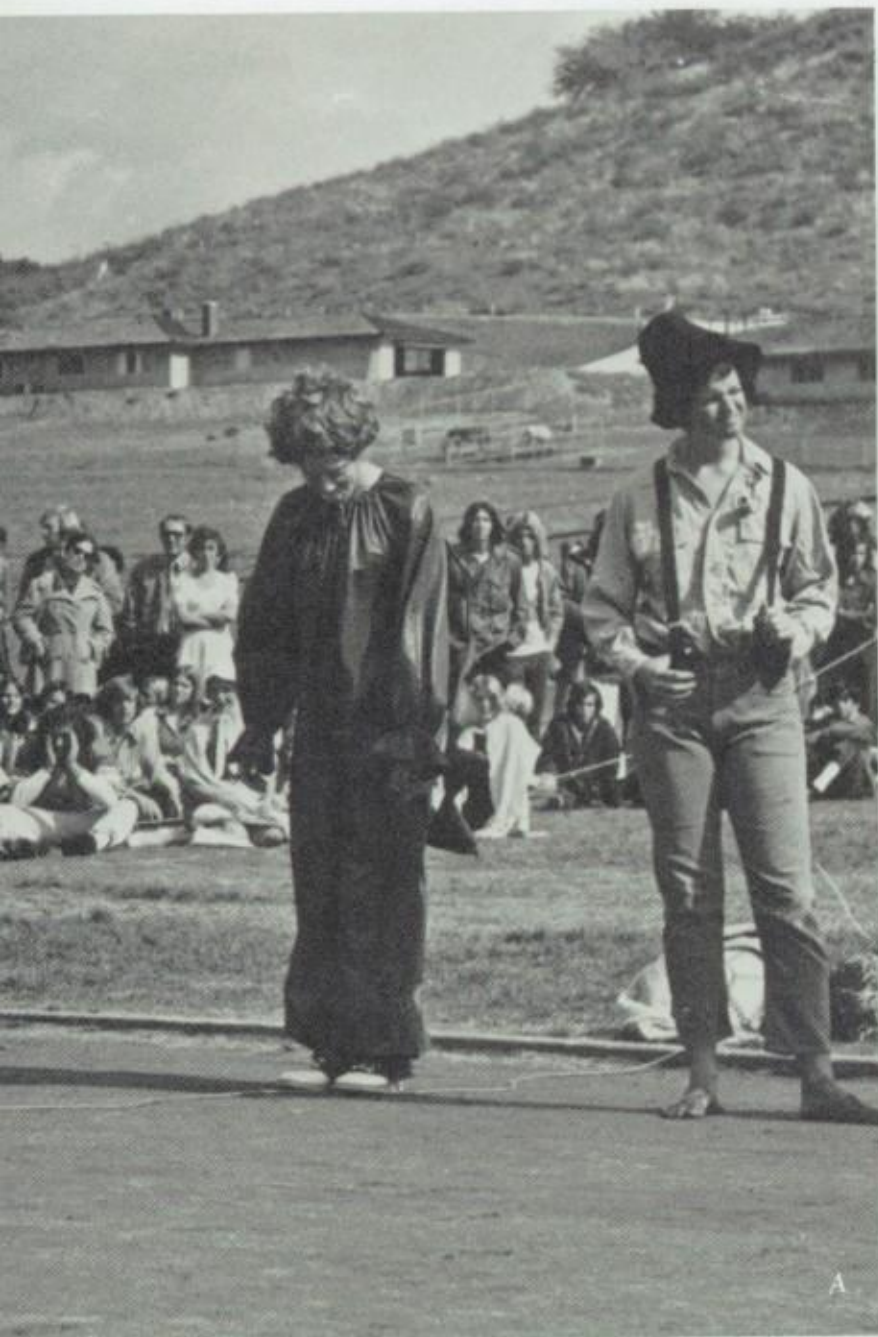

Working in coordination with pep commissioner Alison Keene and varsity cheerleaders, pep rallies were sponsored by the Associated Student Body and presented during the day before various sports events throughout the year. The purpose of pep rallies were to inform students of school activities, introduce members of athletic teams, and create school enthusiasm.

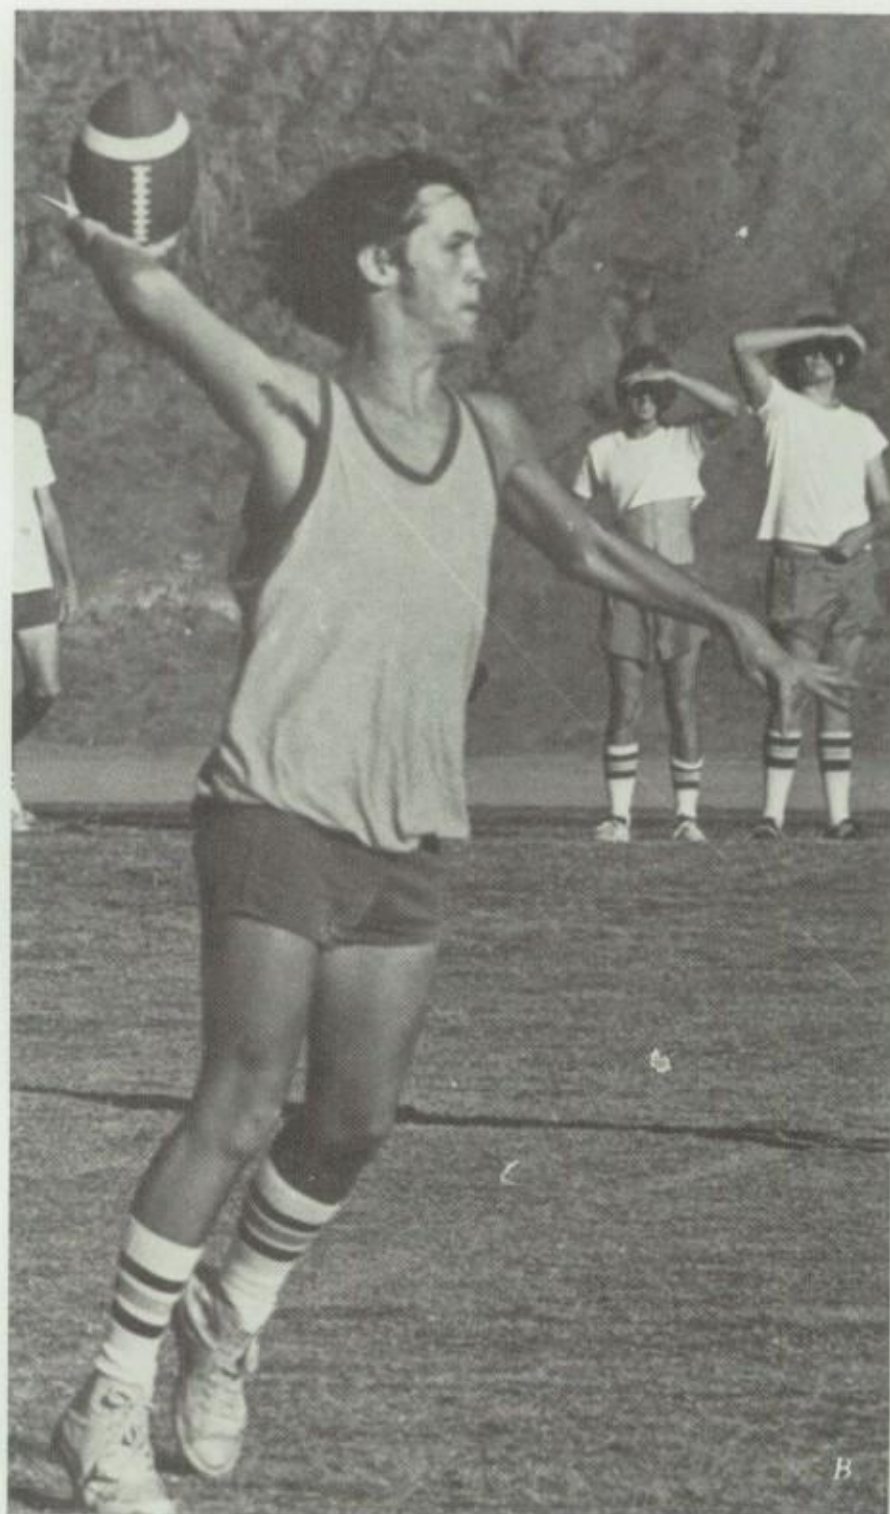

A typical agenda for a pep rally might be a tricycle race presented by the ASB, a skit by the varsity cheerleaders, introduction of teams followed by cheers and class competition, concluding with the playing of the Alma Mater.

Sponsored by the San Pasqual High School Girl's Athletic Association, the first annual Senior-Faculty touch football game was held Nov. 26. During seventh period the seniors battled to a 18-13 victory over the faculty.

Scoring highlights of the first half started with a ten-yard touchdown run for the seniors by halfback Bernie Wolfe. Following that, Bob Socin caught a 36-yard pass from senior quarterback Greg Springsteen to score again. In an attempt to come back Mr. Frank Vannest received an 80 yard touchdown pass from faculty quarterback Mr. Art Hale.

During the second quarter Tracy Hawk intercepted a faculty pass and ran 45 yards for another touchdown. Vannest, leading pass receiver, scored again for the faculty on a pass from Hale to complete the game.

Five interceptions were a major part of the game as Harold Christiansen and Hawk led the way with two interceptions apiece.

Seniors, juniors end Powder Puff football 6-6

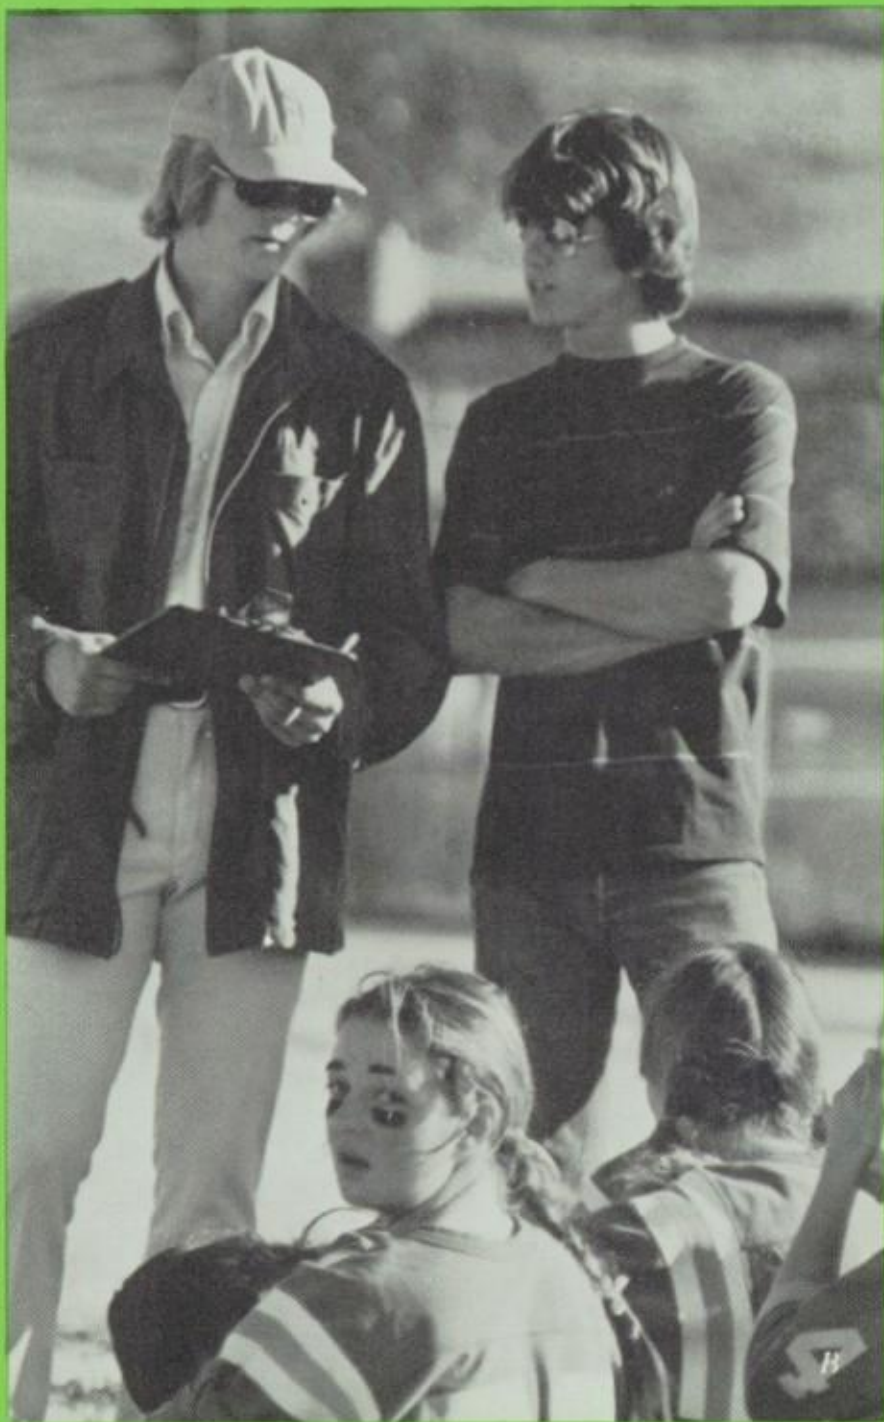

Touchdowns, penalties, and fumbles were all major factors in the result of the second annual Powder Puff football game. Junior girls participated in battling the senior gals to a 6-6 tie.

During the first quarter of play junior halfback Susan Jablonski scored on a handoff from quarterback Jennifer Watkins to make the halftime score 6-0. In an attempt to score again junior defensive back Linda Arnold ran 14 yards on an interception of a senior pass.

Coming back at the end of the third quarter senior quarterback Trina Theis scored on a fake sweep to tie the game. Both teams were unsuccessful in their extra-point attempts. The seniors tried to move ahead by handing off to offensive backs Lenita Wilson, Suzi Felhaber, and Mary Maloney.

'Rowdy Rooters' yell; juniors win tourney

Sparkling involvement and interest in basketball was the main reason for the "Rowdy Rooters" and the "3 on 3" Basketball Tournament.

San Pasqual High School's well-known "Rowdy Rooters" were recognized for their loud and timely chants that could be heard at all of the Golden Eagle basketball games. Tee-Shirts ordered and sold by the Associated Student Body, were worn displaying an eagle and the words "San Pasqual Rowdy Rooter."

Organized by the ASB, freshmen, sophomores, juniors, and seniors participated in a "3 on 3" Basketball Tournament held Feb. 8 in Orange Glen High School's gym from 1:00-5:00 p.m. During halftime of the varsity home game against Fallbrook High School, the four top teams battled each other for their division championships.

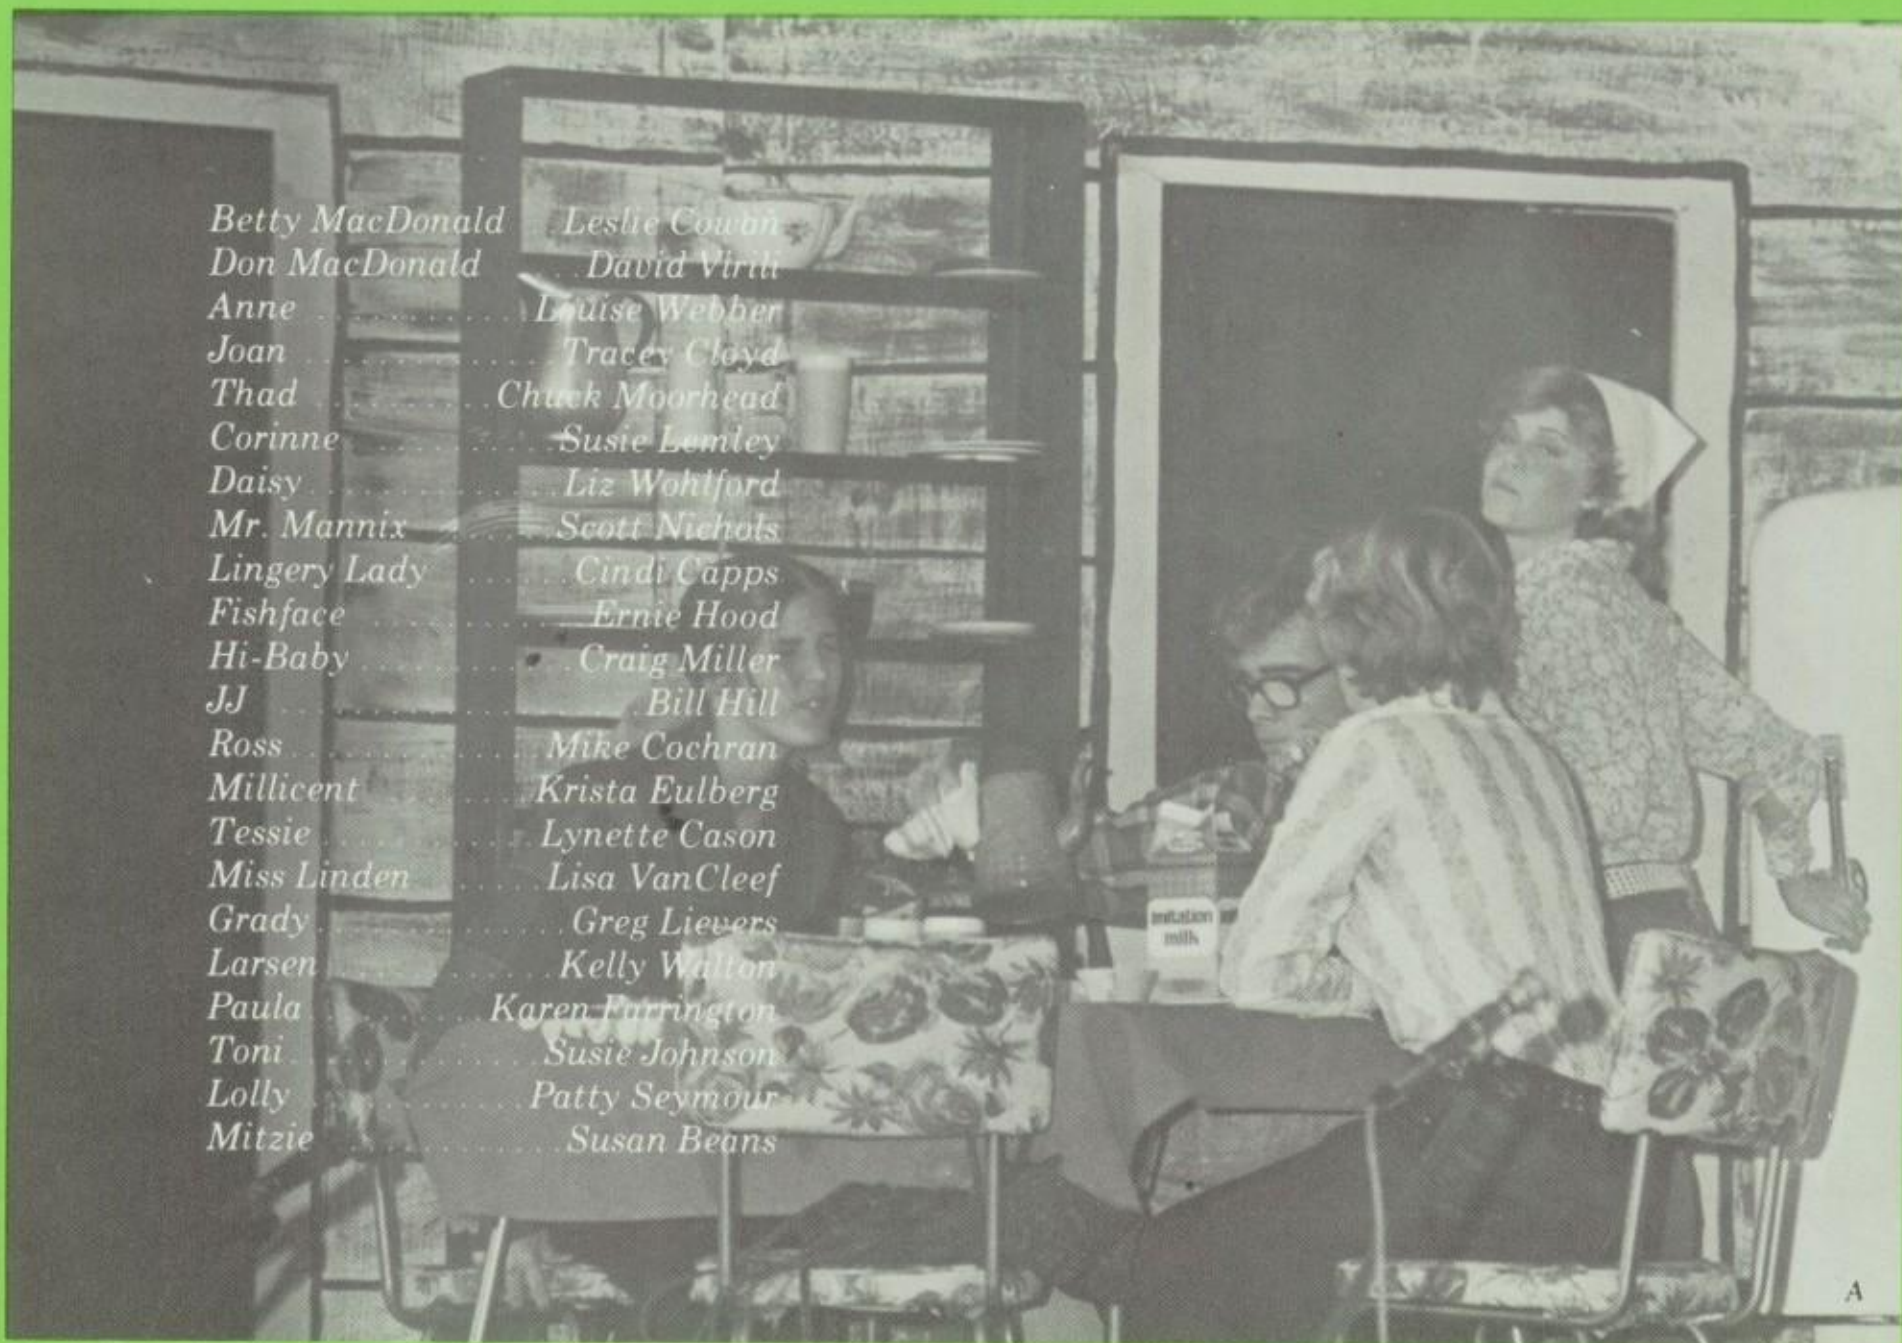

Juniors Mark Johnson, Reid Christiansen, and David McArthur beat Tracy Hawk, Chuck Muren, and Steve Olson, seniors, 16-15 for the upperclass championship. Drama Club participants present 'Egg and I'

Chickens and eggs set the stage for the 1974-75 drama production of "The Egg and I" held Jan. 24 and 25 in the Multi Media Center.

Leslie Cowan took the lead role as Betty MacDonald in the story of a city family moving to a chicken farm. Dave Virili played her husband, Don, with Louise Webber, Anne, and Tracey Cloyd, Joan, their two daughters.

Hours of practice and prop construction continued until the night of the play. The stage crew included Shannon Mulder, Karen Jordan, Cathy Day, and Pam Herrell.

Security guard patrols, 'Elton John' performs

Two distinct personalities made their debut on campus, one in a brief performance, the other in a permanent position.

In San Pasqual High School's first "Elton John" concert, Mike McArdle of Orange Glen High School, presented himself to the student body wearing rose colored glasses and high heeled shoes. The OGHS senior performed various works of the famed recording star, Elton John, starting with "Crocodile Rock" winding down through "Yellow Brick Road" and ending the spectacle with "Your Song."

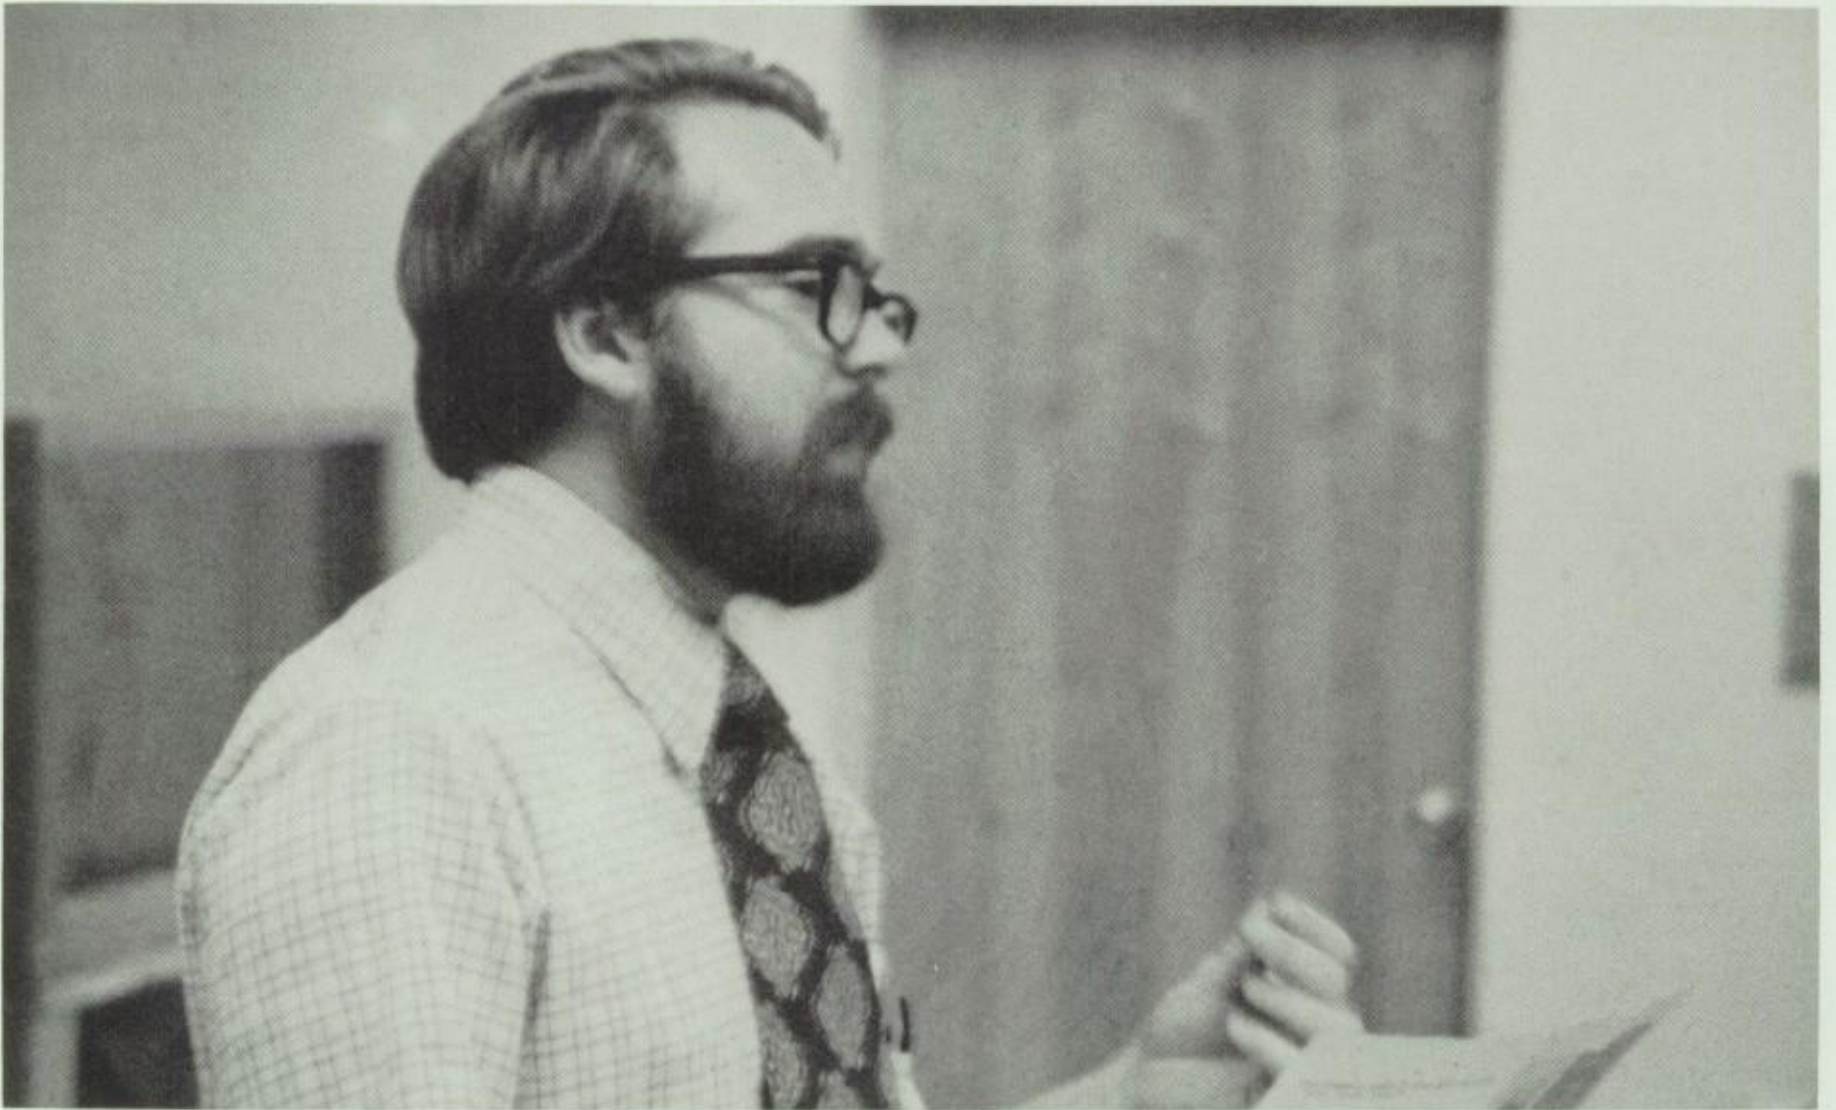

With six years of Marine Corps service, including time spent as a military policeman, Mr. Joe Dews came to SPHS well experienced for his position as a campus policeman. As he put it, his major duties were to "keep people from tearing things up and out of trouble." Dews personal goal while at SPHS was to get to know the students, a statement which drew a grin as he said, "I met quite a few. I know the ones that get into trouble all the time."

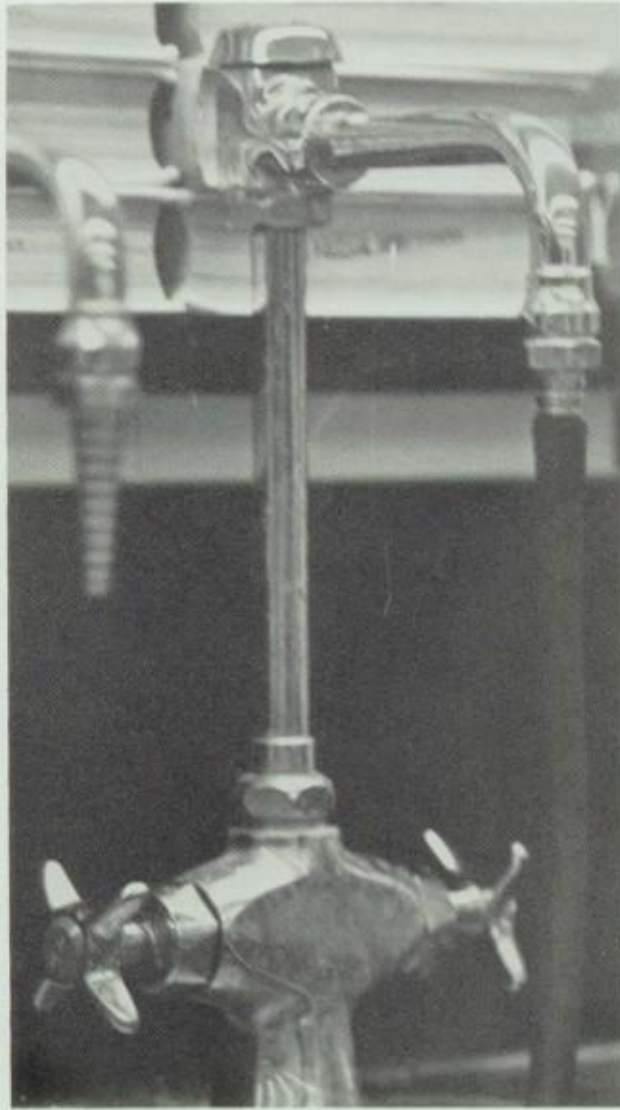

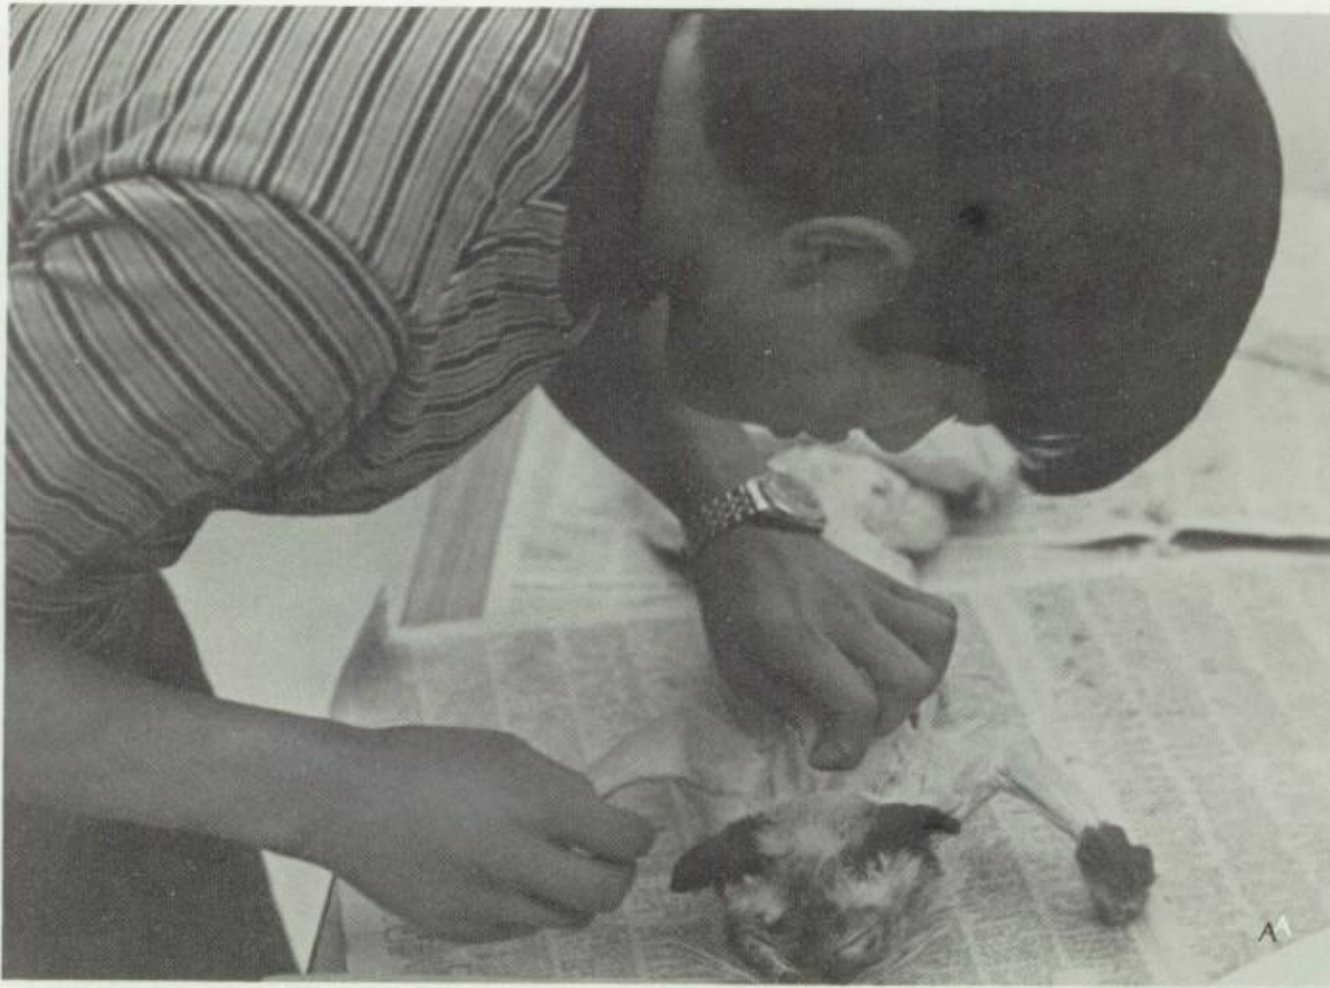

A) Security guard Mr. Joe Dews watches over the student parking lot. B) Relaxing during the concert, junior Doug Myers listens to the music. Math, Science forecast changes for next year

Math and Science departments presented variations in the 1974-75 curriculum, according to department directors Mr. Del Griffin, Math, and Mr. John Woodard, Science.

Some of the changes in the Math department included the addition of Math proficiency tests in computation and consumer application given to all students prior to graduation. In effort to make the district schools more uniform, a course sequence for a three year track system was provided.

The Science department made plans to modernize teaching methods, including a change in teaching assignments, more class discussion, and student involvement in labs. In addition to the newer activities, Science classes also contributed to ecology efforts by collecting and recycling old newspapers.

Language's provide new ideas for school year

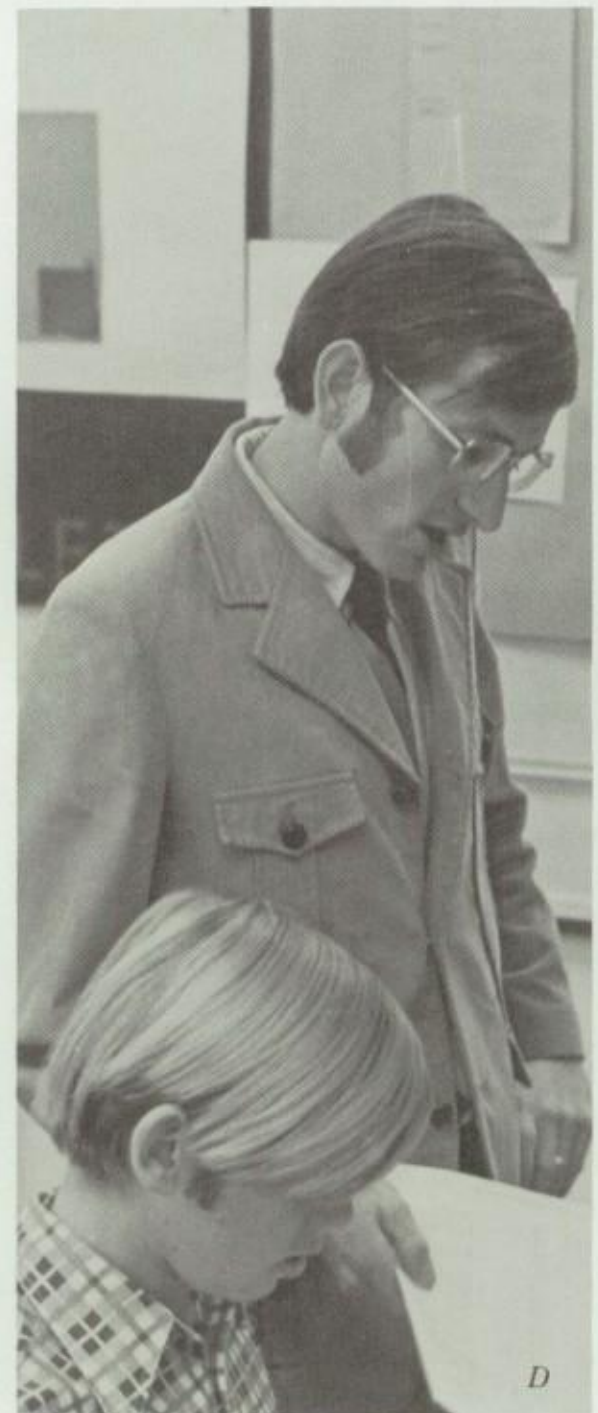

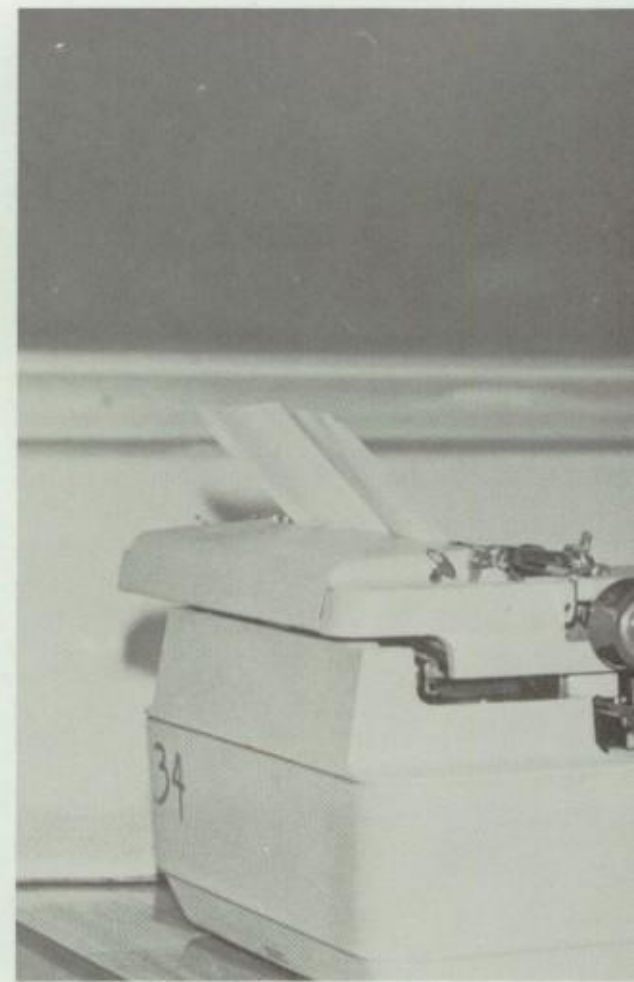

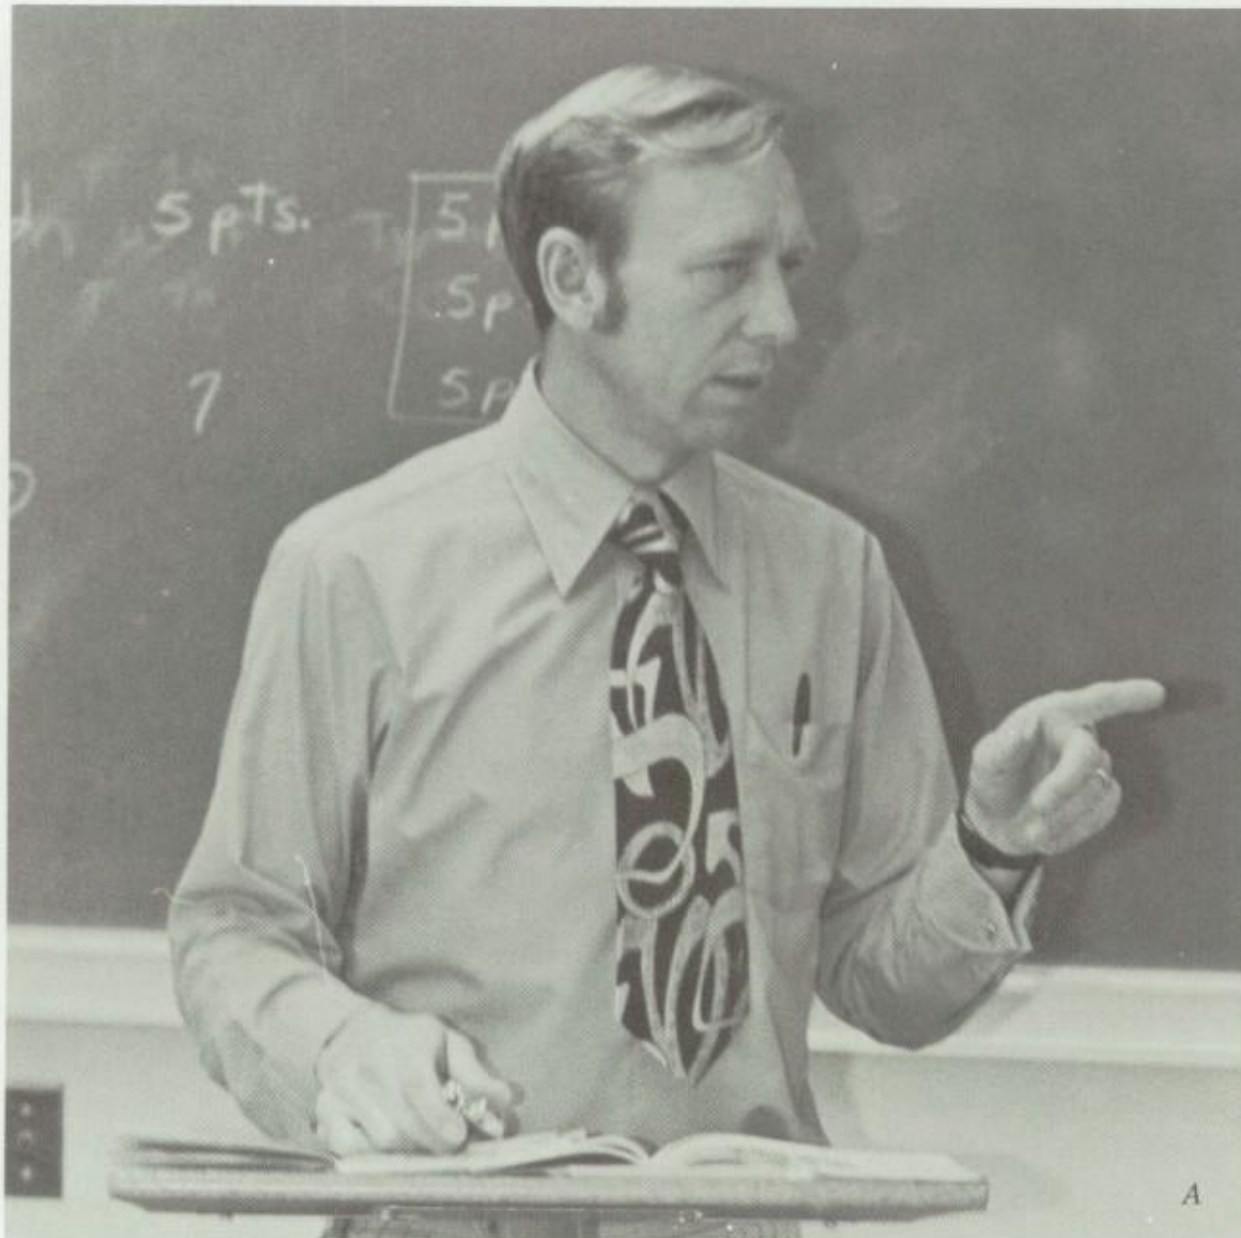

Changes in the English department and the Foreign Language department helped provide students with new ideas.

For the first time, the English department offered a curricula based on semester classes allowing for the inclusion of several different and varied courses.

According to department head Mr. James Vernetti, the program also included field trips scheduled to the Old Globe Theater and productions at San Diego State University and Palomar College.

"The History and Culture of the Mexican American" was offered by the Foreign Language department as a first-time course, along with four year courses available in Spanish, French and German. Mr. Hector Terrazas was in charge of the department.

Business, Health add courses to curriculum

Optional Business classes were available to students, while Health and Driver's Education was required on the sophomore level.

Business courses included stenography, bookkeeping, and typing according to Mr. Frank Vannest, department Chairman.

Health classes were given instruction in first aid, with demonstrations in mouth-to-mouth resuscitation and bandaging. With driver's training cars shared among the high schools in the district, the cars came for six weeks each semester, and were donated by Escondido-area car dealers.

Courses' value increases through organization

More organization used this year in Cross-age, Student Assistance and Physical Education made courses more worthwhile to students.

Cross-age class time was increased to a two hour period, to allow student teachers more time to work with younger children helping them in scholastic areas and learning to relate to them.

San Pasqual High School pupils took turns driving to various elementary schools where they acted as teachers aides.

Students earned credits working as teacher's assistants, jobs which involved typing, taking role, and grading tests. Mr. Judson Joyce advised the Cross-age and the Student Assistant courses.

Physical Education was another department to begin a new schedule this year. Classes were divided by grade level and programs on nutrition, physical fitness, and endurance were added to the P.E. program. Adaptive P.E. was held for students who were unable to participate in regular classes. Dr. William Green, athletic director, taught the class.

Skills sharpened with industrial art classes

Classes in Art, Crafts, and Industrial Arts were available to all students as electives.

Woodworking classes started a new concept in teaching this year, with courses being taught under the variable credit system. Each student earned the number of credits which best suited his ability and performance, with up to fifteen credits available per a regular ten credit course.

Products constructed in the class included sailboats, camper shells, water ski's, and a variety of furniture pieces such as hutches, chairs, tables, and stereo cabinets.

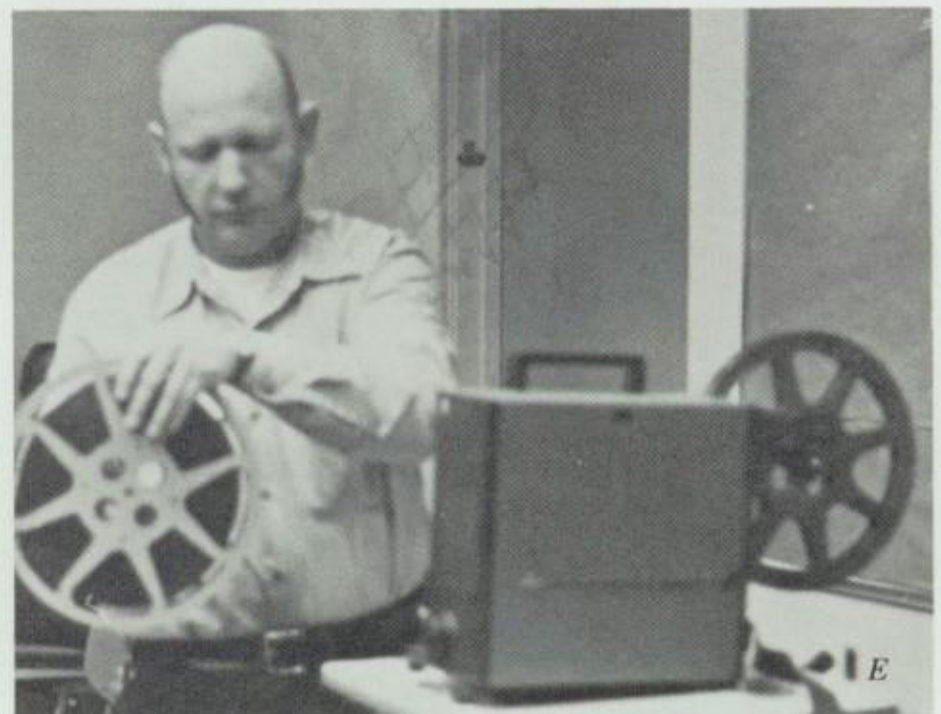

Units of instruction included operations of all machines, hand and power tools, design construction techniques, fastening, and finishing methods. Classes were open to girls as well as boys.

Courses in arts and crafts were available to any student as an elective with pupils being involved in creative work such as drawing, painting, printmaking, sculpting ceramics, jewelry, silk screen, and fabric design.

District bond election on ballot again in May

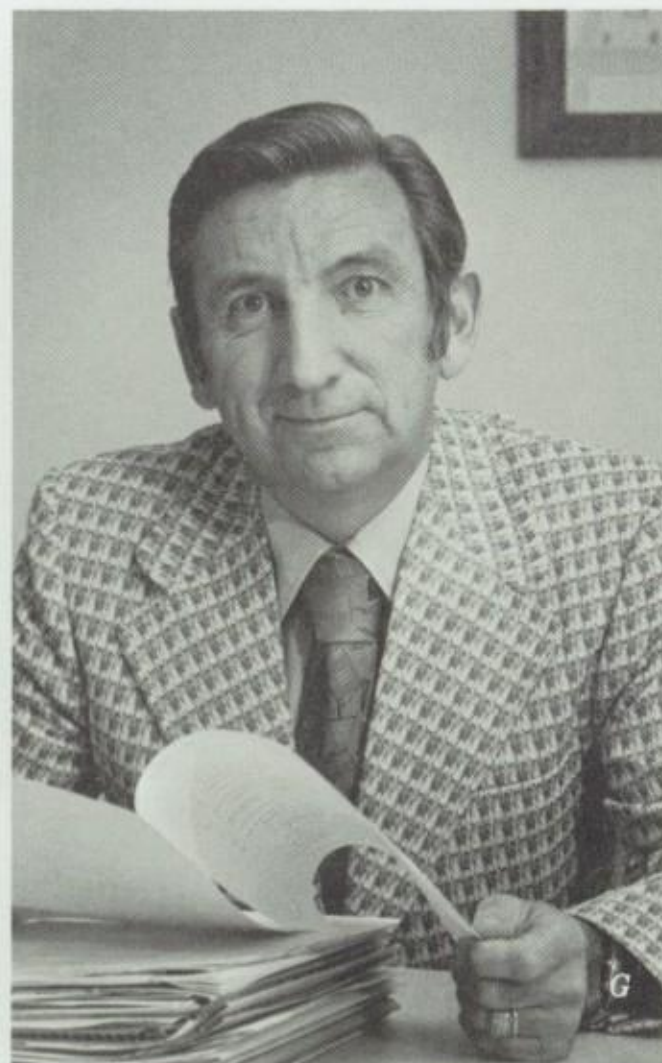

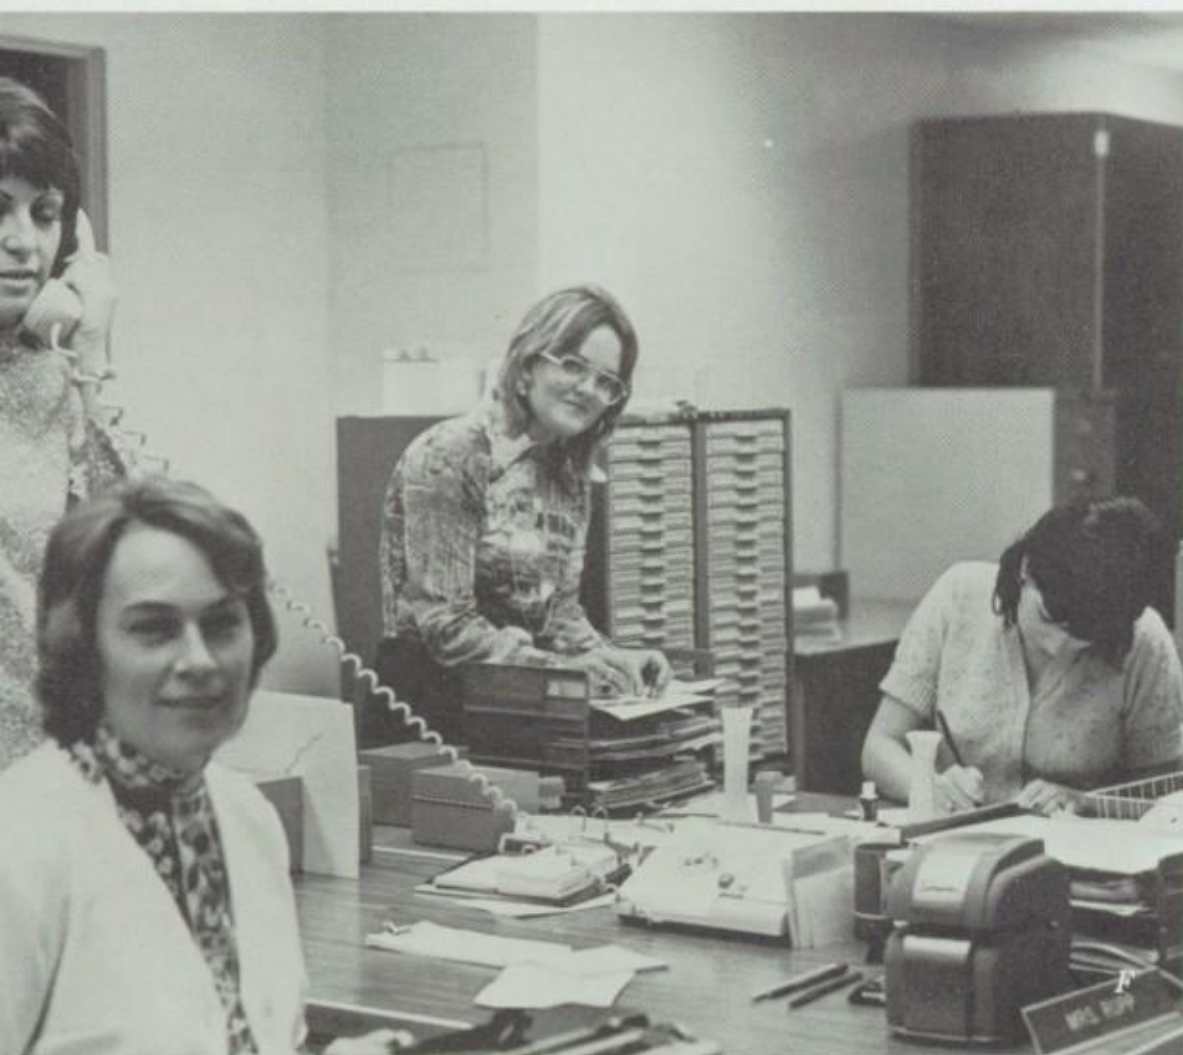

The administrative staff combined efforts with Parents' Club members in an effort to pass a school bond that would result in the completion of San Pasqual High School.

After three failures for passage by a two-thirds majority the proposition was again presented to voters in May after recent changes in California law allowed districts to build schools with a "lease purchase" plan, requiring only a simple majority to pass. The Board of Trustees for the Escondido Union High School District were unanimous in their support of placing the issue on the May ballot, which, if passed, would begin construction of shops, science and math wings, a gymnasium and cafeteria facilities.

The March 1975 election resulted in the annexation of San Marcus schools from the Escondido Union School District, a fact which aided possibilities for the May election. Separation of school districts allowed the bond issue to be brought to the polls with the need of San Marcus support eliminated, thus improving chances against defeat.

Assistance to students helpful throughout year

San Pasqual High School revolves around a number of people whose primary concern is being of assistance to students.

Club funds often find their way to the school cashier, who handles the exchanges made in the purchase of tickets for dances, banquets, rooters bus, lunch and other school activities as well as the yearbook.

The ladies in the attendance office offer their help in arranging off campus passes, tardy excuses, and readmits.

The counseling staff played an important role to students, as they were responsible to assist in the students decision of class scheduling. Seniors required additional attention with college applications and recommendations to be made.

DECA, Interact clubs serve school, community

While the Interact Club had already completed its first year at San Pasqual High School, the Distributive Education Clubs of America was making its beginning. Both clubs served the school as well as the community.

DECA opened up the student store in Oct. and grossed approximately \$1,000 the first semester. The store was open first period and both lunch periods. Selling concessions at home basketball games also kept the group busy. Cheryl Mullvain acted as president, while Harold Christiansen managed the store which was located next to the Associated Student Body office. The group was entered in competition at a DECA conference at Santa Barbara held in March.

Landscaping, sponsoring the Sadie Hawkins Dance, and supporting ASB activities were a few of the Interact Clubs projects this year. A Smoking Research program was presented to Escondido elementary schools, along with a senior citizen interaction program. Money for these projects came from it's annual Marathon Basketball game. Interact is headed by Jack Kroeker as president and Cathie Crow as secretary. Membership was limited to juniors and seniors who expressed a sincere desire to contribute to at least one project.

New advisor, officers spark ASB activities

Mr. Richard Preston, Associated Student Body advisor, helped ignite the flame of enthusiasm for student interests in ASB and Pep Club.

Preston, taking on a job left vacant by vice-principal Roy Williamson, worked with ASB president Bill Hill and Pep Commissioner Alison Keene to organize more activities for students on campus.

Planning began before the 1974-75 school year started with weekly meetings to lay out the year's activities starting with an Ice-Breaker Barbeque, monthly dances, Spirit Week, Homecoming, and a Film Festival.

Football spirit ribbons were made by ASB cabinet members in effort to cut the cost of supplies. In addition to the ribbon sales, Pep Club met weekly after school to paint posters for football games and promoted school spirit by arranging pep assemblies.

In addition to performing at games, hours were spent making cookies, arranging pep rallies and skits, painting posters, and practicing.

Organizations at SPHS boast active members

Homemaking, Health and French clubs, along with Nuestra Raza, proclaimed a more active membership this year and involved more students.

Serving as hostesses has been the major function of members of the Homemaking Club this year. The club has tried to support the community as well as the school. Plans included enrollment in the Future Homemakers of America, with attendance at the North County Chapter of FHA and the state FHA conference. Ms. Ann Slezak and Ms. Meridith Marcus advised the club.

Ms. Joan Nydegger sponsored Health Careers, a club which encouraged student participation in local health organizations. The club explored various health careers and featured field trips and speakers.

Drill Team awarded top honors at reviews

It was a year of firsts for the Golden Eagle Drill Team, with first place awards taken in the Escondido Tournament of Bands and the Lester Oaks Band Review. The victories marked the first time in the history of the three-year squad that top honors were taken in half-time and parade competition.

Another new experience for drill team members was the pre-game performance for the San Diego Chargers November 3.

The corps, under the direction of Ms. Ann Maier, advisor, have also placed fourth in the Chino Invitational and performed with the band at the Santa Monica Parade and the Autumn Band Review. Other scheduled events included the Escondido Christmas Parade and a performance in Disneyland.

The addition of a flag corps complemented performances in both half-time shows and parades.

Maier, in her first year as a drill team advisor, has been delighted with the improvements in the drill team. "I saw some of last year's films and their progress has been just outstanding" she stated. Maier participated as a member of a drill team for two years.

Countless hours of work are hidden behind the glitter and smiles of the ten-minute performance seen in a half-time show. Practices start with the close of school in June and continue throughout the school year three to four hours a day.

Captain Cathie Crow and her lieutenants Debi Frisby, Sherry Condry, Diane Wickern and Pam Crow, put out double efforts with all the extra time spent on the choreography and routines.

Wood-R-US, Pleaides, GAA extend services

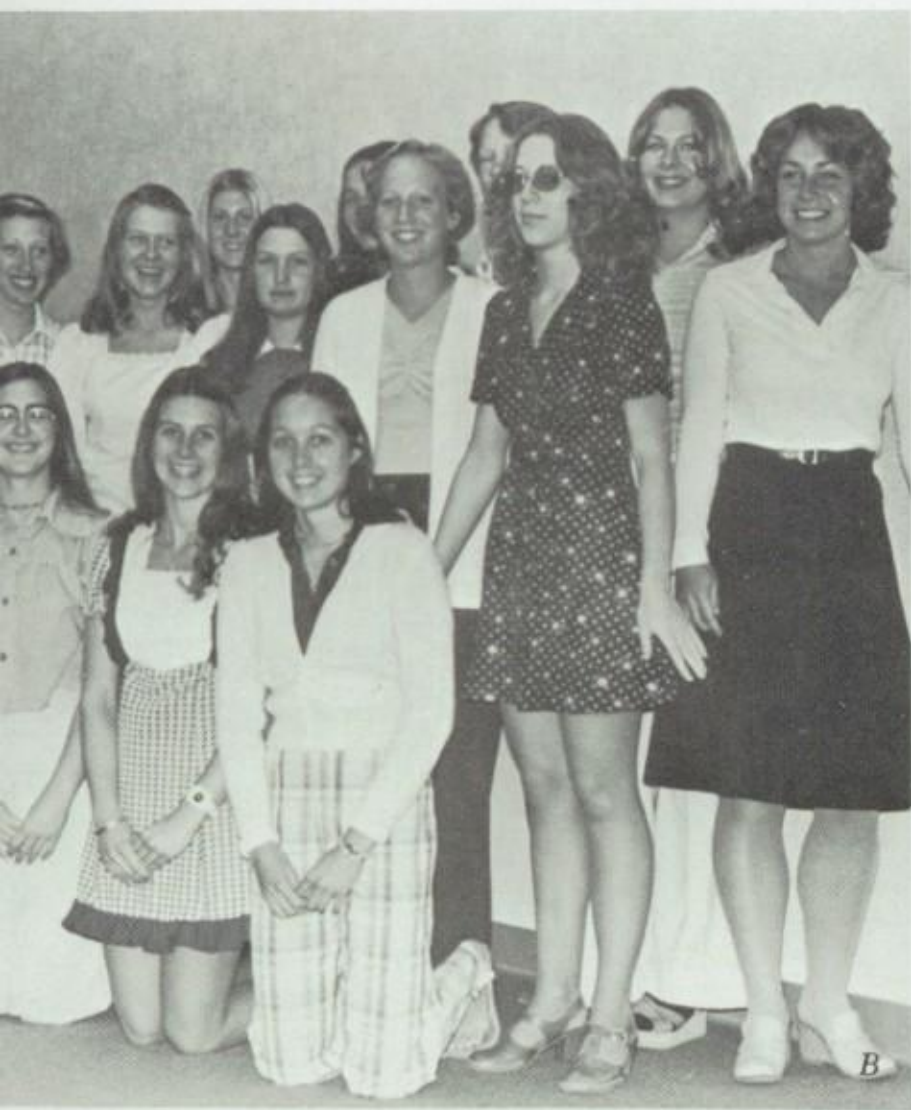

Two of San Pasqual High School's most active clubs sponsored fund raising activities to increase their accounts.

"Super busy" is the term Mr. Steve Kirby, Wood-R-US advisor, uses to describe his "company." His group constructed major mass production wood works this year. A person could become involved in the company by purchasing one share of stock for one dollar. The group would then fill community requests to construct such things as shelves, railroad blocks, cabinets, fences, or repairs.

The Girl's Athletic Association kept themselves busy throughout the first semester by holding a car wash, bake sales, button selling campaigns, and a social activity. An after-the-season get together was given by the club with a pot-luck dinner. GAA members also assisted the Band Boosters in the football concession stand.

Pleaides, a club consisting of faculty-recommended junior and senior girls, got off to a slow start this year. Santa Grams were distributed during the week before Christmas vacation by "elves". Meetings were held monthly at various club members homes.

AFS, CSF, booster clubs valuable to school

Various clubs and organizations proved their worth to San Pasqual High School this year, with each organization making a contribution in a specific area.

American Field Service worked to improve relations with foreign countries, bringing the first exchange student, Judy Schlaffer of Austria, to SPHS. Mr. Jim Hilton advised the club.

Members of the California Scholarship Federation tried to achieve more recognition for academically outstanding students. With the help of Mr. Mark Fredenburg, advisor, field trips to college campuses were planned by CSF to help students with orientation and selection. Other activities planned included a trip to Disneyland in January and a spring banquet.

The Eagles also boasted active Athletic Boosters and Parents Club. Members of the Athletic Boosters gave financial support to all athletic organizations of the school, helping with uniform and equipment purchases. They also added spirit to sports events through their attendance at games, bringing with them banners and signs in support of the Golden Eagles. Mr. John Snow served as president of the Athletic Booster Club.

Parents Club worked behind the scenes in many SPHS activities this year, starting with a brunch for teachers before the year started, the club continued throughout the year, supplying refreshments for various school functions, and contributing \$3,000 towards school landscaping. Co-presidents of the Parents Club were Dr. & Mrs. David Cloyd.

A new organization at SPHS was the Academic Council. The Council was started by the Parents Club in an effort to recognize and encourage scholarship by students. Students with a B average are eligible to join, or students may contract to bring their average up one full grade.

Extra-curricular clubs explore various fields

Working with students and becoming involved with school affairs were the basic functions of the Art, Media, Gymnastics, and Lettermen clubs.

Designing eagles for the band and drill team banners started off the year of activities for the Art Club. The club also put on exhibitions to raise funds for school equipment. Ms. Jean Smith was the club adviser.

Sponsoring a book fair enabled the Media Club to purchase books for the library from profits. The 12 members also planned to co-sponsor a writing contest with the Academic Council according to adviser Ms. Alison Hobson.

With five meets scheduled for the season, the 1975 Gymnastics Club entered their first year of competition when adviser Ms. Joy Briggs qualified as a judge. The previous year, the club could not compete due to CIF ruling that each school must have a person who is qualified to judge gymnastics. Practices were held four days a week at Escondido High School.

Organizing the annual Powder Puff Football Game and awarding a scholarship to a senior letterman were two of the major functions of the Lettermen Club. A basketball marathon sponsored by the Lettermen Club and Interact was planned for the spring.

SPHS intercepted three passes and recovered two fumbles to help them along. Chuck Muren, senior fullback, scored three of the four touchdowns with Bernie Wolfe, senior halfback, scoring the other. At one point the Eagles progressed 67 yards in seven plays.

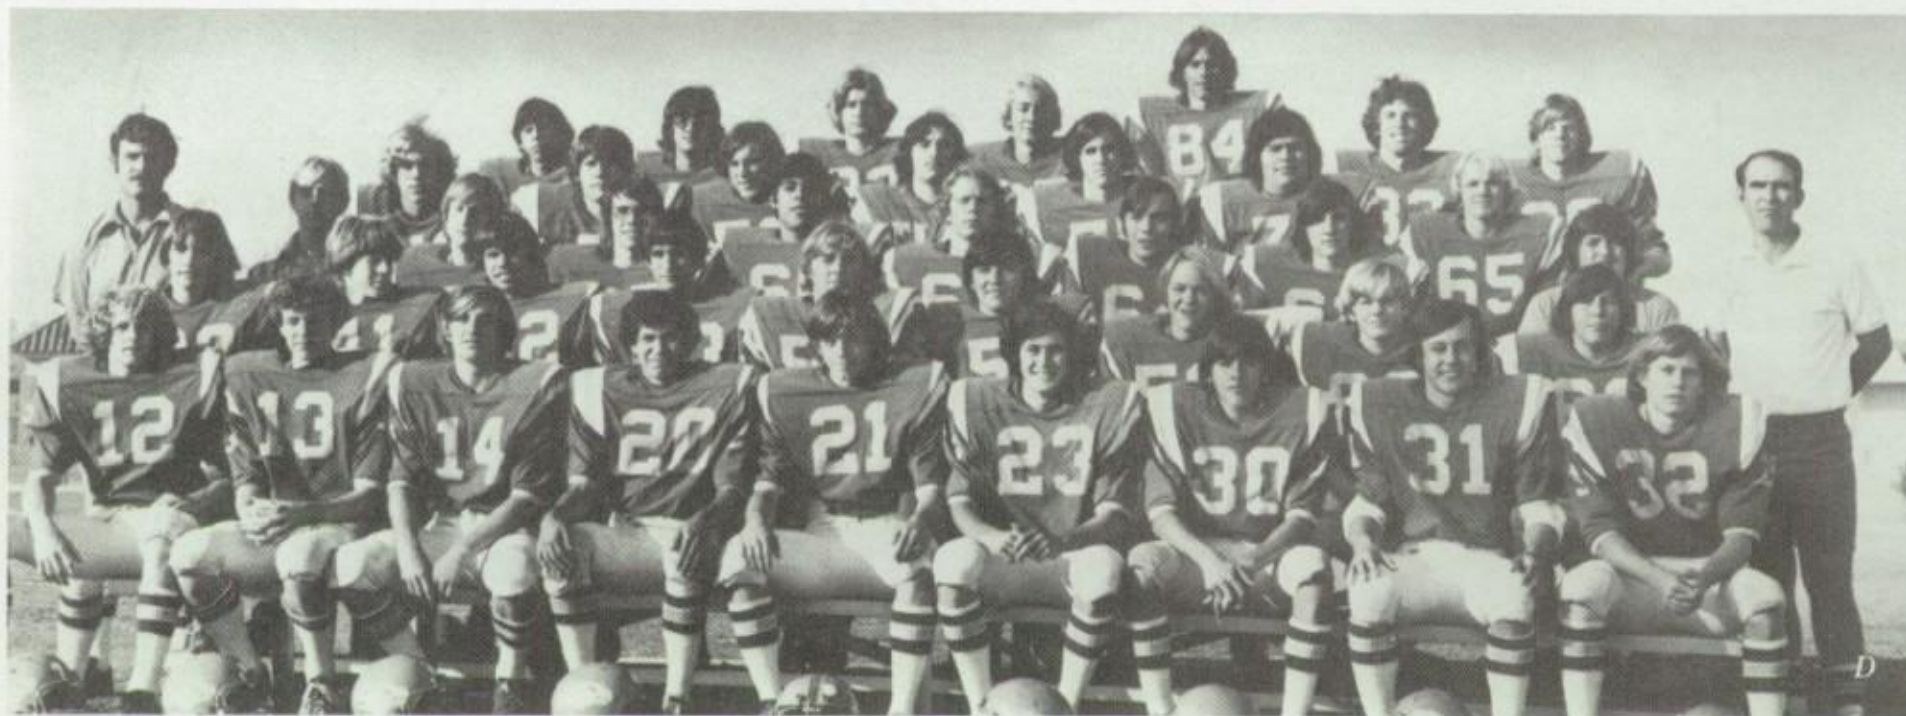

After winning the first non league game over Mar Vista High School, 20-6, the squad gained the incentive to be a winning team this year.

End of season wins spark JV, frosh football

Unlike the junior varsity grid team, the freshmen squad decided to wait until the end of the season to win. San Pasqual High School's JV finished 4-4-1 on the year, while the frosh managed two wins.

Not only was the JV record impressive, but their concluding game against Vista High School topped the season. The undefeated Panthers had previously been scored upon only once all year, and scoring once was enough for the Eagles to hand the Panthers their first loss, 8-0. Mark Caporale connected with Tim Muren in the second period on a 25-yard touchdown pass, and then hit Scot Mitchell for the conversion. The Golden Eagles defense limited VHS to 93 total yards, intercepted three passes, and blocked a punt.

The team reigned as district champs by beating San Marcos, Orange Glen, and Escondido high schools.

At the fall football awards night, John Schwartz walked away with Most Valuable Player, as Muren and Caporale shared the captain title. Mark Johnson was chosen MVP on defense and Garth Wilson on Offense. "Mr. Hustle" awards went to Fredrico Rivera and Tim Concannon. The JV was coached by Mr. Art Hale and Mr. Cal Whetzel.

The freshmen football team, coached by Mr. Rick Sherry and Mr. Chuck Christianson, got off to a slow start this year when they lost their opening game to San Marcos High School, 16-6.

Most Valuable Player went to Scott Case and Captain went to Rick Hansen.

When asked what game he thought was the team's best, Coach Sherry replied, "Definitely Orange Glen. It was a super effort and a much enjoyed victory."

Inspired by the promise of Coach Sherry to shave his head and Coach Christianson to shave off his moustache, the team went on to defeat the Patriots 34-30. The following day the coaches were without their hair and moustache respectively.

The teams final win-loss record for the season was 2-7.

E) Kicker Scott Case boots the ball for the frosh against Carlsbad High School.

Frosh runners show promise for '75 season

In spite of major setbacks, the San Pasqual High School cross country team made a promising showing in the Avocado League. Coach Lynn Cannon took over the squad after Mr. Brian Overton left his coaching position in mid-season and three of the top runners failed to continue with the team. Captain Steve Bagwell and Paulino Gutierrez were the top harriers for the varsity squad.

The freshman team, led by Mark Shoemaker, went on to take the Avocado League title. Shoemaker ran the Palomar College 2.1 mile course in 11:40 taking first place. Freshmen Jay Hagans, Mark Strauss, Glenn Davis, and Dan Gilbert also gave an impressive performance and are expected to lead next years squad.

With the potential of this years freshmen runners, Coach Cannon hopes to build a distance running tradition at SPHS.

Girl swimmers remain on top as city champs

Keeping up their second-year tradition as city champs, the Golden Eagles girl's swim team defeated both Escondido and Orange Glen high schools on the varsity level. The victories over the cross-town schools were the only wins for the team along with two losses. The losses were dealt by Oceanside and Fallbrook high schools.

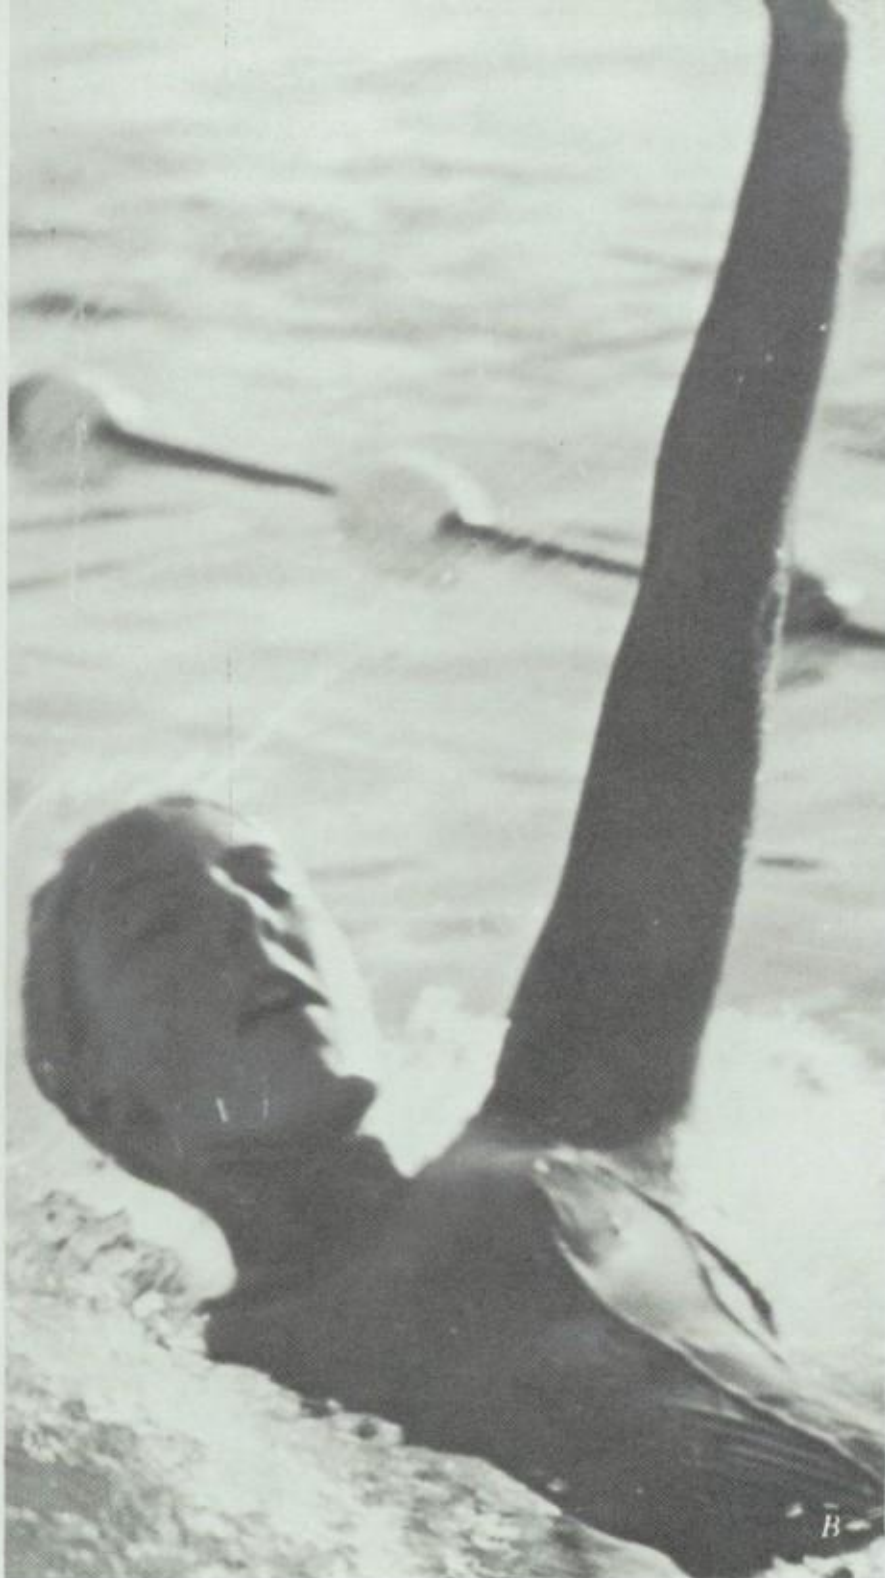

Juniors Cindy Erch and Karen McCord topped the varsity squad, while Holly Case, Cindie Umphres, Sandy Moffitt, Kathy Schooler, and Tracy Theis led the cee team. According to Coach Nancy Howard, "The cee team was really strong this year."

Beating only OGHS, the junior varsity crew finished with a win-loss record of 1-4. The cee squad also concluded their season 1-4, by downing the Patriots. Two of their losses were decided by two and seven points. The EHS Cougars barely topped the third-letter team, 35-33 and the Warriors nipped the gals, 37-30.

Workouts were held daily at the Palomar YMCA and meets took place at the Washington Park pool. After their San Pasqual High School season, some of the girls joined city-league teams to compete and work-out during the off-season.

Volleyball experiences first league victories

Encountering their first wins ever, the Golden Eagle volleyball squads finished their seasons with double victories over Escondido High School. The junior varsity team ended 4-3, while varsity marked a single victory for San Pasqual High School.

"This year's varsity team was greatly improved since last season," said Coach Karen Peterson.

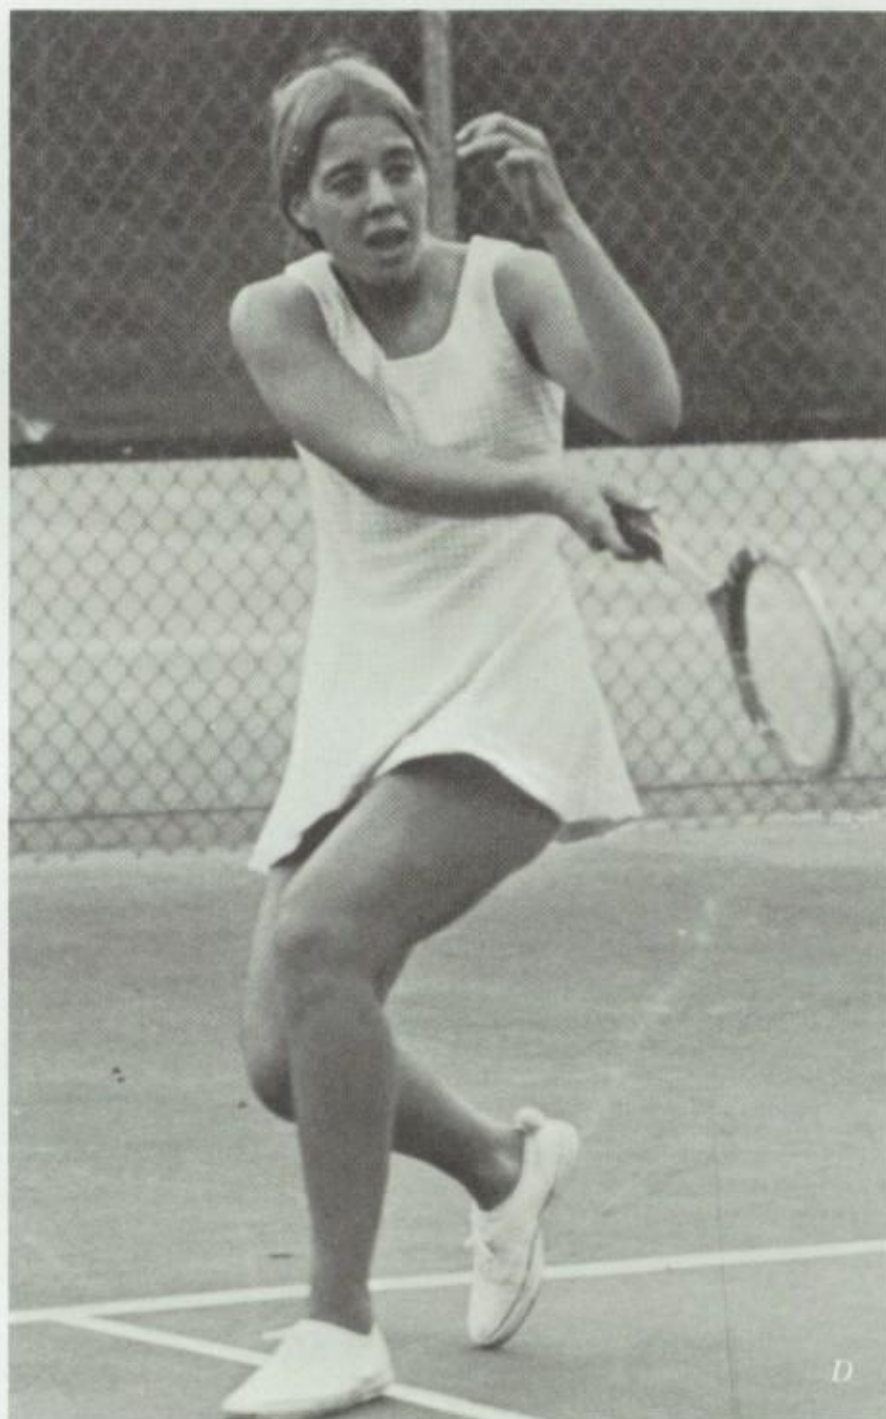

Leading the varsity were veteran Liz Walker and juniors Annette Mancino and Lisa Kinder. JV captain Kathy Lewis directed her squad along with standouts Cathy McCoy and Shelley Torrey.

Girl's field hockey, tennis have building year

A new sport was added to the girl's athletic program this year. Field hockey experienced it's initial season at San Pasqual High School, while tennis had another building year in their third season.

Under Coach Ferol Kent, the field hockey team went through their season until the next to last game before they scored a goal. Inner Martha Williamson scored the team's first goal and Most Valuable player Debbie Griffin followed her with three goals of her own. The squad went on to beat Orange Glen High School 4-2.

According to Kent, "We were an outstanding defensive team. Every coach said we had a great defense, but because of inexperience we just couldn't get down the field to score."

One of the teams best games was against Fallbrook High School when the Eagles held the league champs to one goal per half. Their last game took place in the rain with Escondido High School. The two teams battled to a 0-0 tie.

Coach Sandy Ragovin returned to coach the gal's tennis squad who also managed to win a game and tie on the season. The girl netters romped San Marcos High School in their opening game 18-6.

The Eagles were represented in the league finals with doubles partners Sue Jablonski and Kathy Jablonski placing third and singles standout Karen Farrington taking fourth. The girls went on to the San Diego-California Interscholastic Federation Finals to be eliminated in the first and second rounds respectively.

Varsity cagers second; advance to CIF game

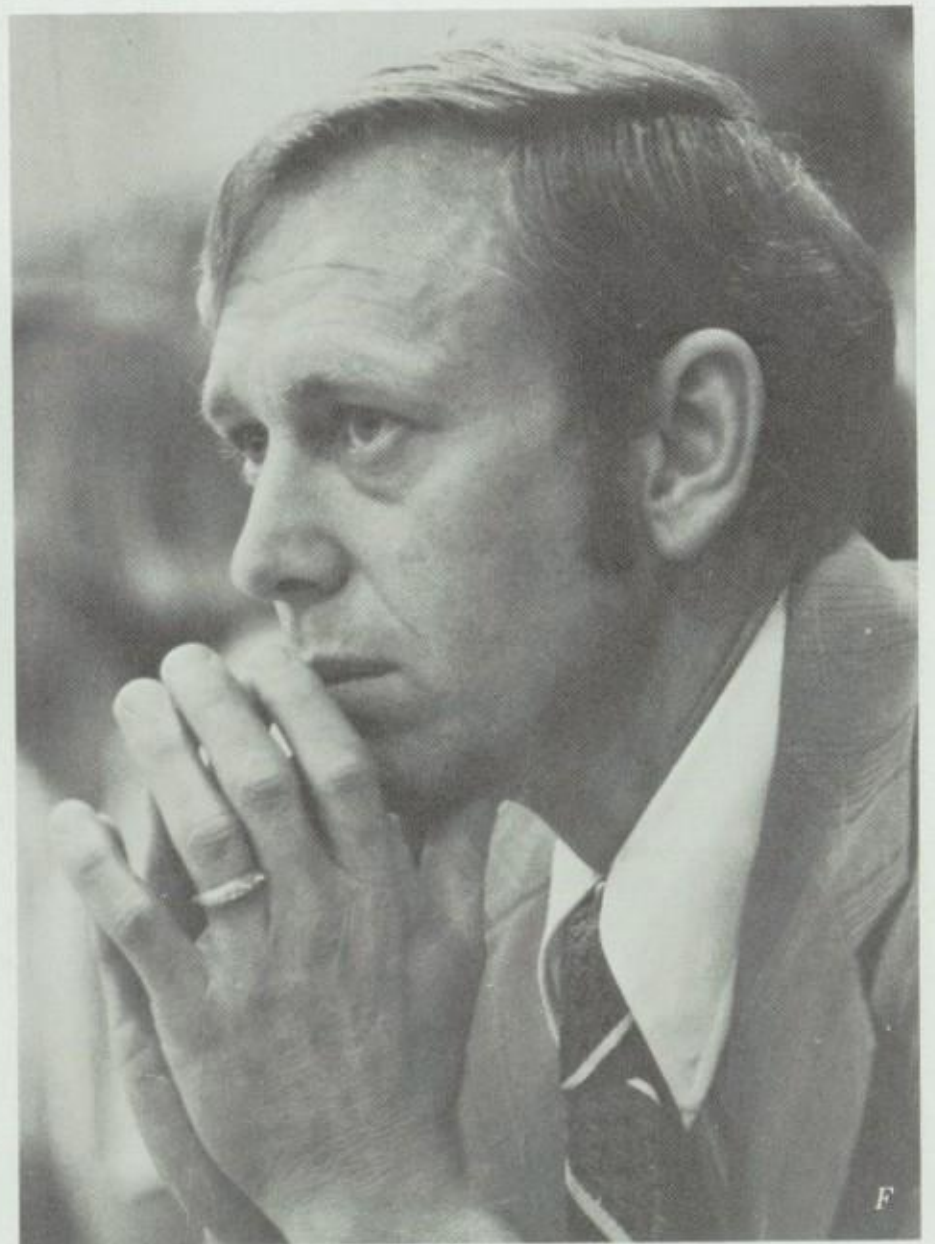

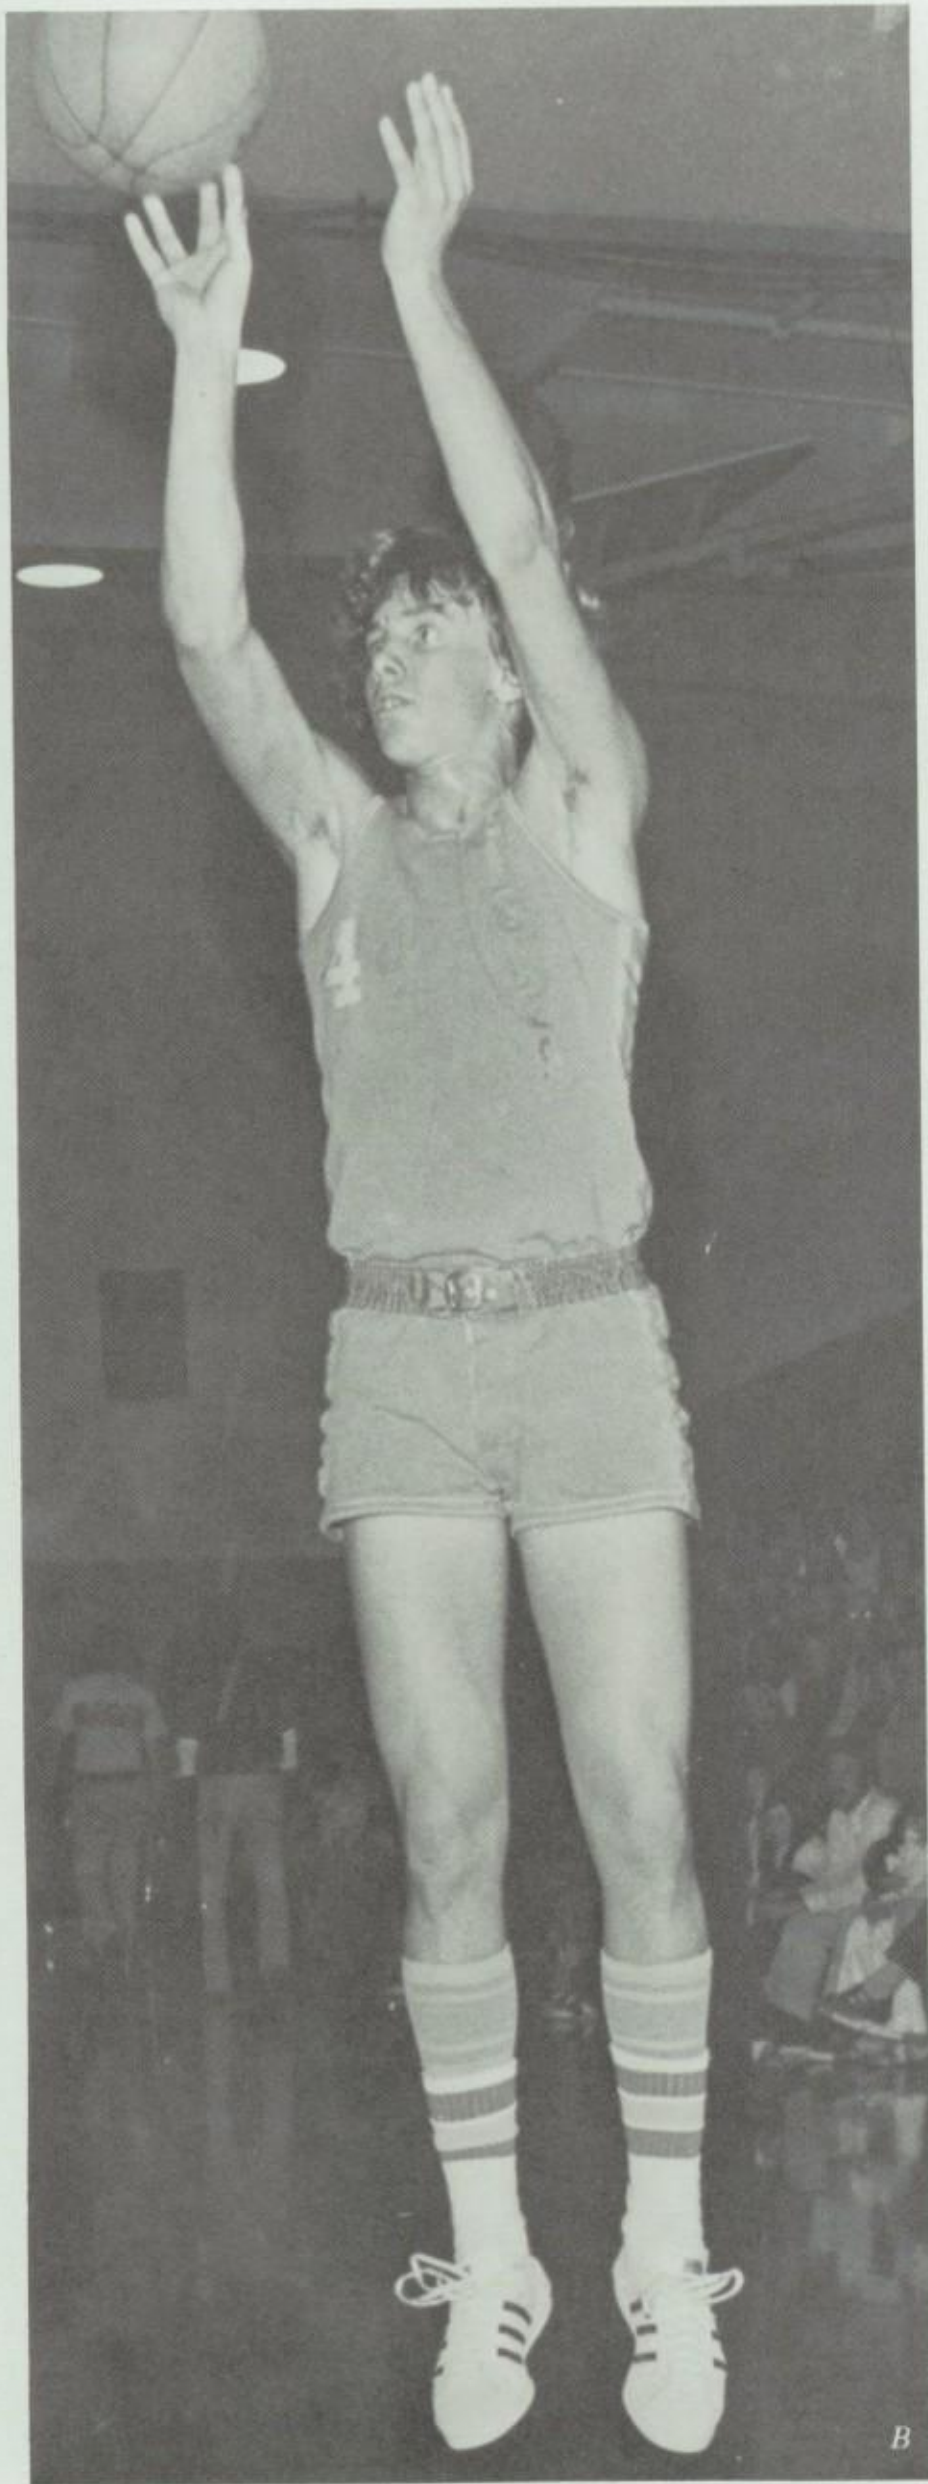

With a second place standing in the Avocado League, the Golden Eagles moved into the San Diego-California Interscholastic Federation playoffs for the second year in a row. Tying with Fallbrook High School for second meant a league vote as to who would represent the league in the playoffs. As San Pasqual High School received a home court advantage over Santana High School in the CIF playoffs, SHS battled for four quarters before winning 53-49.

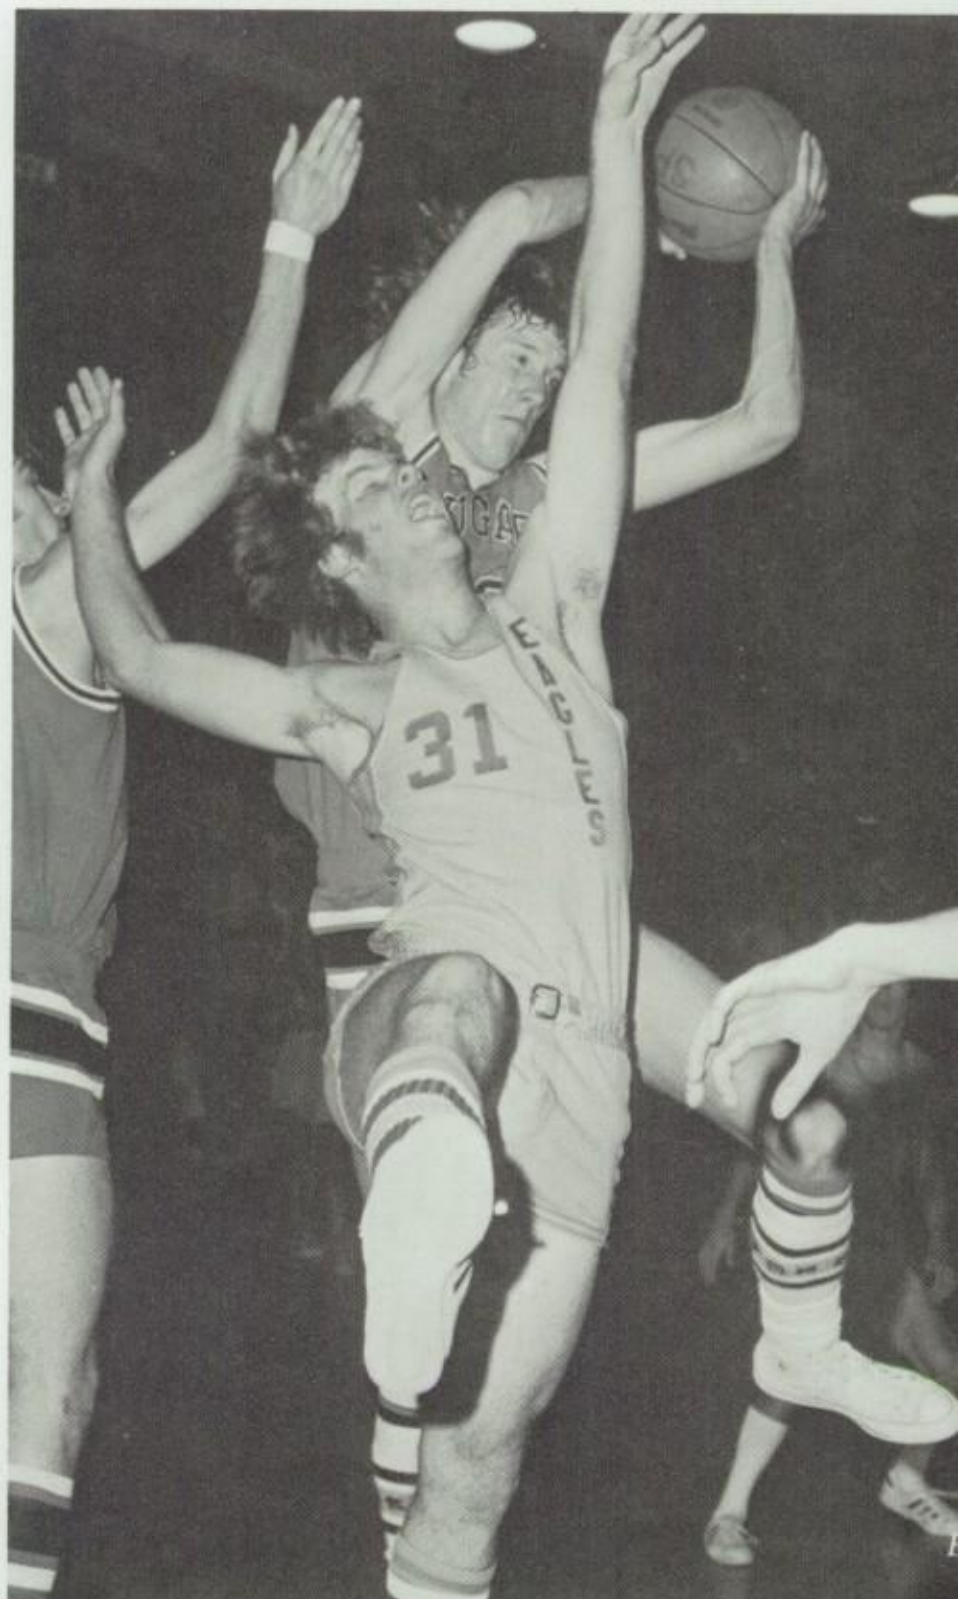

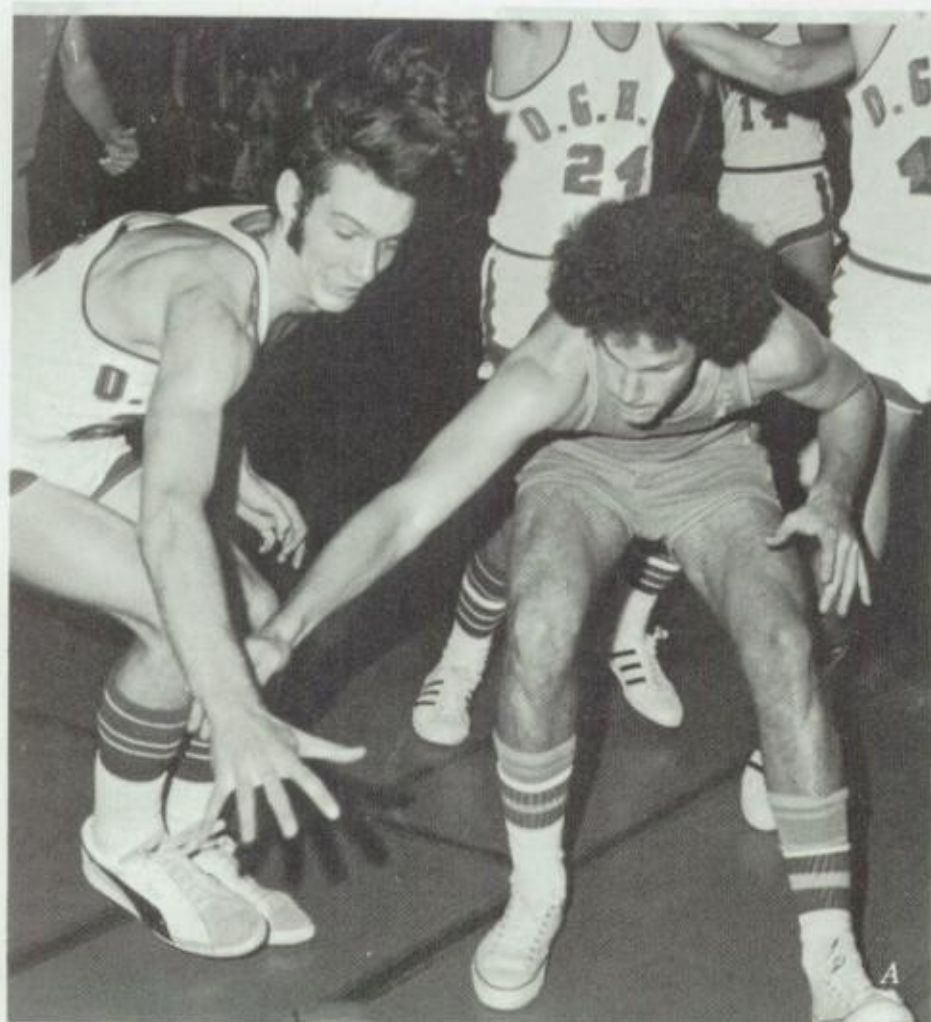

Orange Glen and Escondido high schools games left the gym packed with standing room only. The Eagles were defeated by EHS once in overtime, 77-76, before beating them 75-73 the second time. SPHS downed OGHS both times with scores of 52-50 and 63-57.

The Eagles ended the season with a 10-4 league record and 18-10 overall. Three of the four losses came in the first round. During the second round the Eagles remained undefeated until the last game with Vista High School which they lost in the last two minutes 54-50.

Three-year veterans end Avo cage season

After two years of experience, San Pasqual High School's all-senior basketball team had high hopes for their third and final high school season.

Three-year veterans Greg Springsteen, Jon Barron, Bob Socin, and Randy Larsen played their first varsity season as starting sophomores on a seven-man team. In the following two years Coach Frank Vannest added Don Danks, Marty Beljean, Steve Smith, Randy Hogan, Wes Wood, Steve Owen, Conrad Beljean, and Mike Drolette to make up his 1974-75 squad.

Second place seemed to be where it was at for the Golden Eagles this year. They battled in two annual tournaments only to end up in second place. The final game of the San Diego Kiwanis Tournament was lost to Lincoln High School 62-47. Traveling to the El Centro Elks Tournament for three days meant another second place for SPHS after losing the championship game 46-41 and handing first place to Clark High School of Las Vegas, Nevada.

At the close of the season, four starters were given recognition for their talents. Danks was named to the first team Avocado League, Barron was voted to the second team, and Springsteen and Socin received honorable mention. Socin held every rebounding record at SPHS.

"After three years, it's been a lot of fun working with the group and we're certainly going to miss them," concluded Vannest.

SPHS JV, frosh dribblers look to next season

Because all of this year's varsity cagers are being lost through graduation, most of this season's junior varsity basketball squad will step up to the varsity level next year, while the freshmen will move up to JV.

Finishing with a 10-4 win-loss league record, the Golden Eagle JV crew also won the consolation championship in a Poway basketball tournament during Christmas vacation.

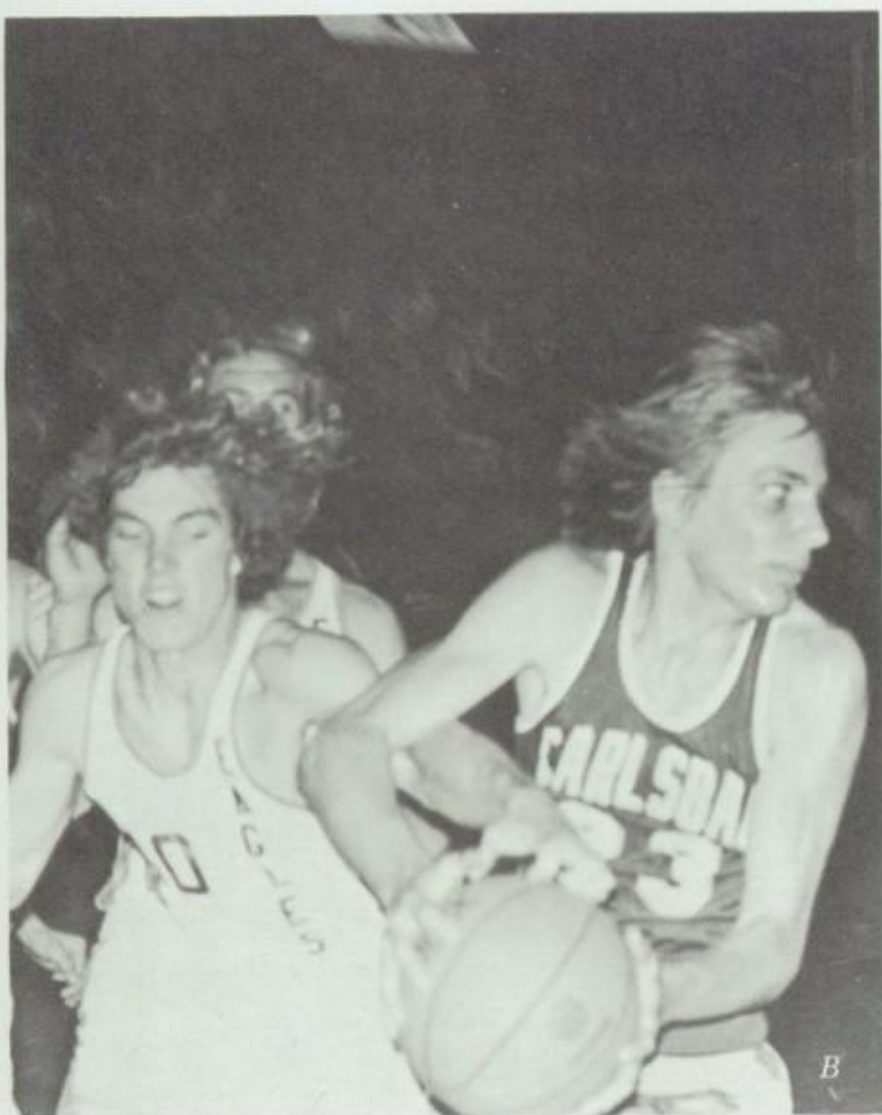

Highlights of the season included last minute wins over Oceanside and Carlsbad high schools in the second round of play. Both games were decided by two points apiece. Leading the team coached by Mr. Dave Miller, were sophomores Roger VanNote and Rick Roberts, and juniors Ken Putnam and Mike Goodbody.

In their last game of the season, the frosh cagers put forth their best effort against number one Oceanside High School, only to lose 55-51. The team ended their building year with a 2-19 record. Don Long was chosen captain while Rich Sullivan was named most improved.

Underclassmen inspire girl's basketball year

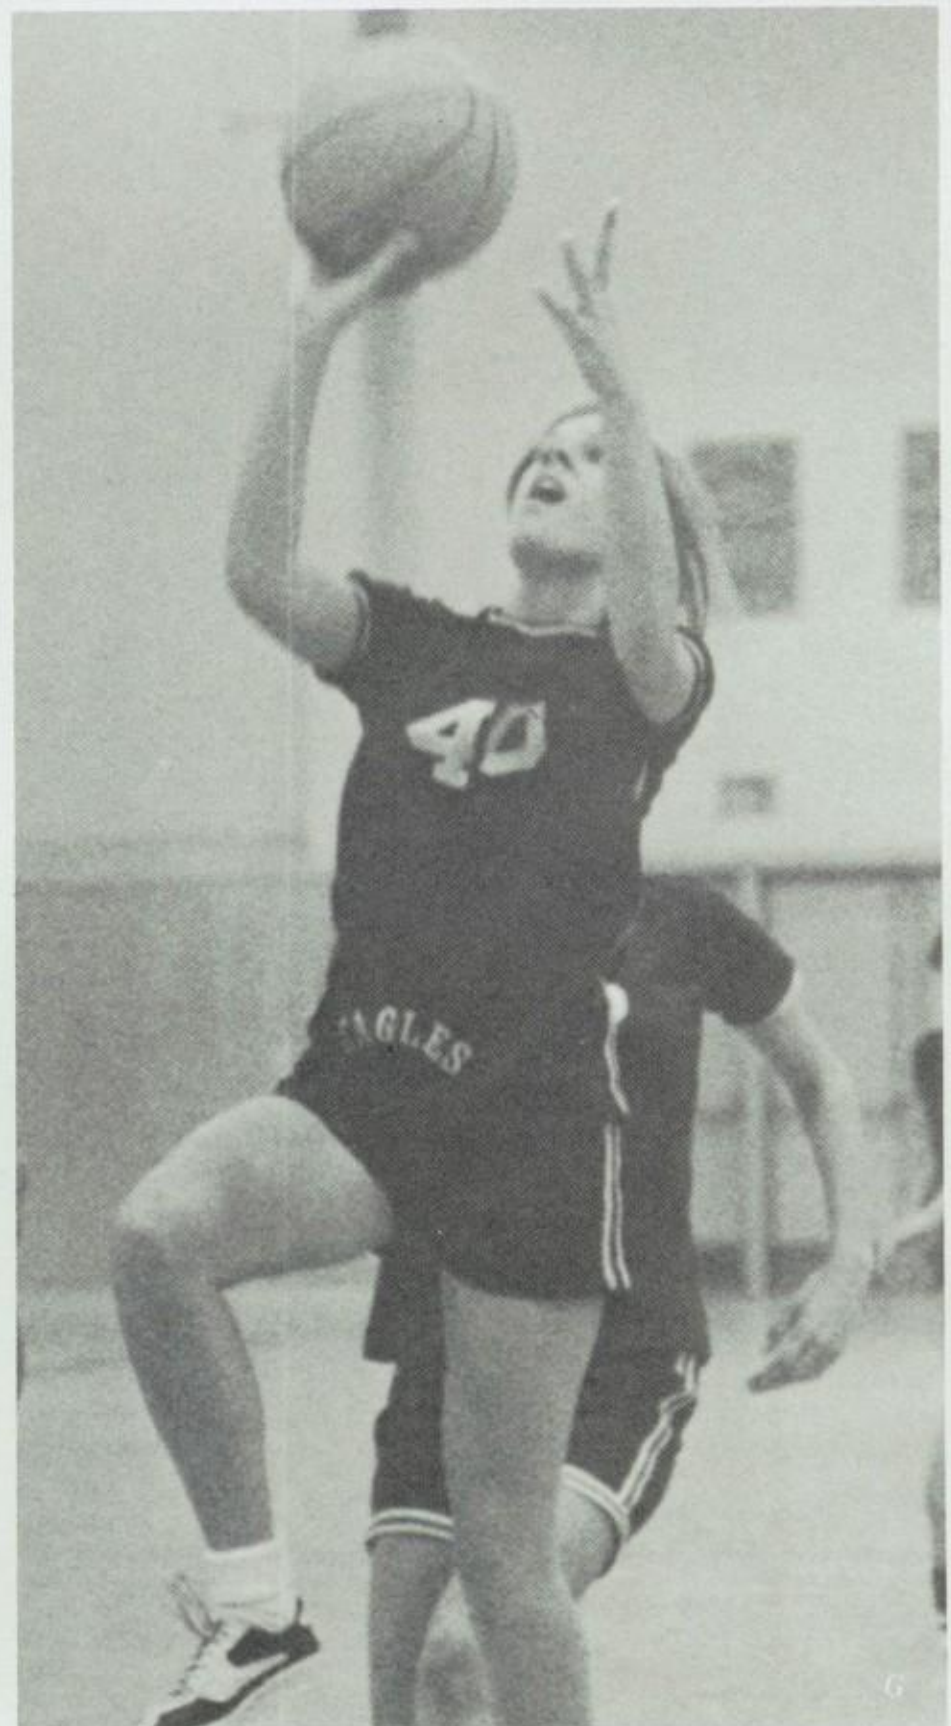

San Pasqual High School' girl's varsity basketball team should be looking forward to their next season with optimism as seven of the ten players are underclassmen. Throughout the year, outstanding performances were given by freshman Cathy McCoy, junior Katie Guerrieri, and sophomores Tracy Theis and Kathy Jablonski. Senior Liz Walker also carried the team in scoring and rebounding. Ms. Karen Peterson coached the varsity team. Consistently playing against taller teams, the gal cagers were hampered by their height throughout the season.

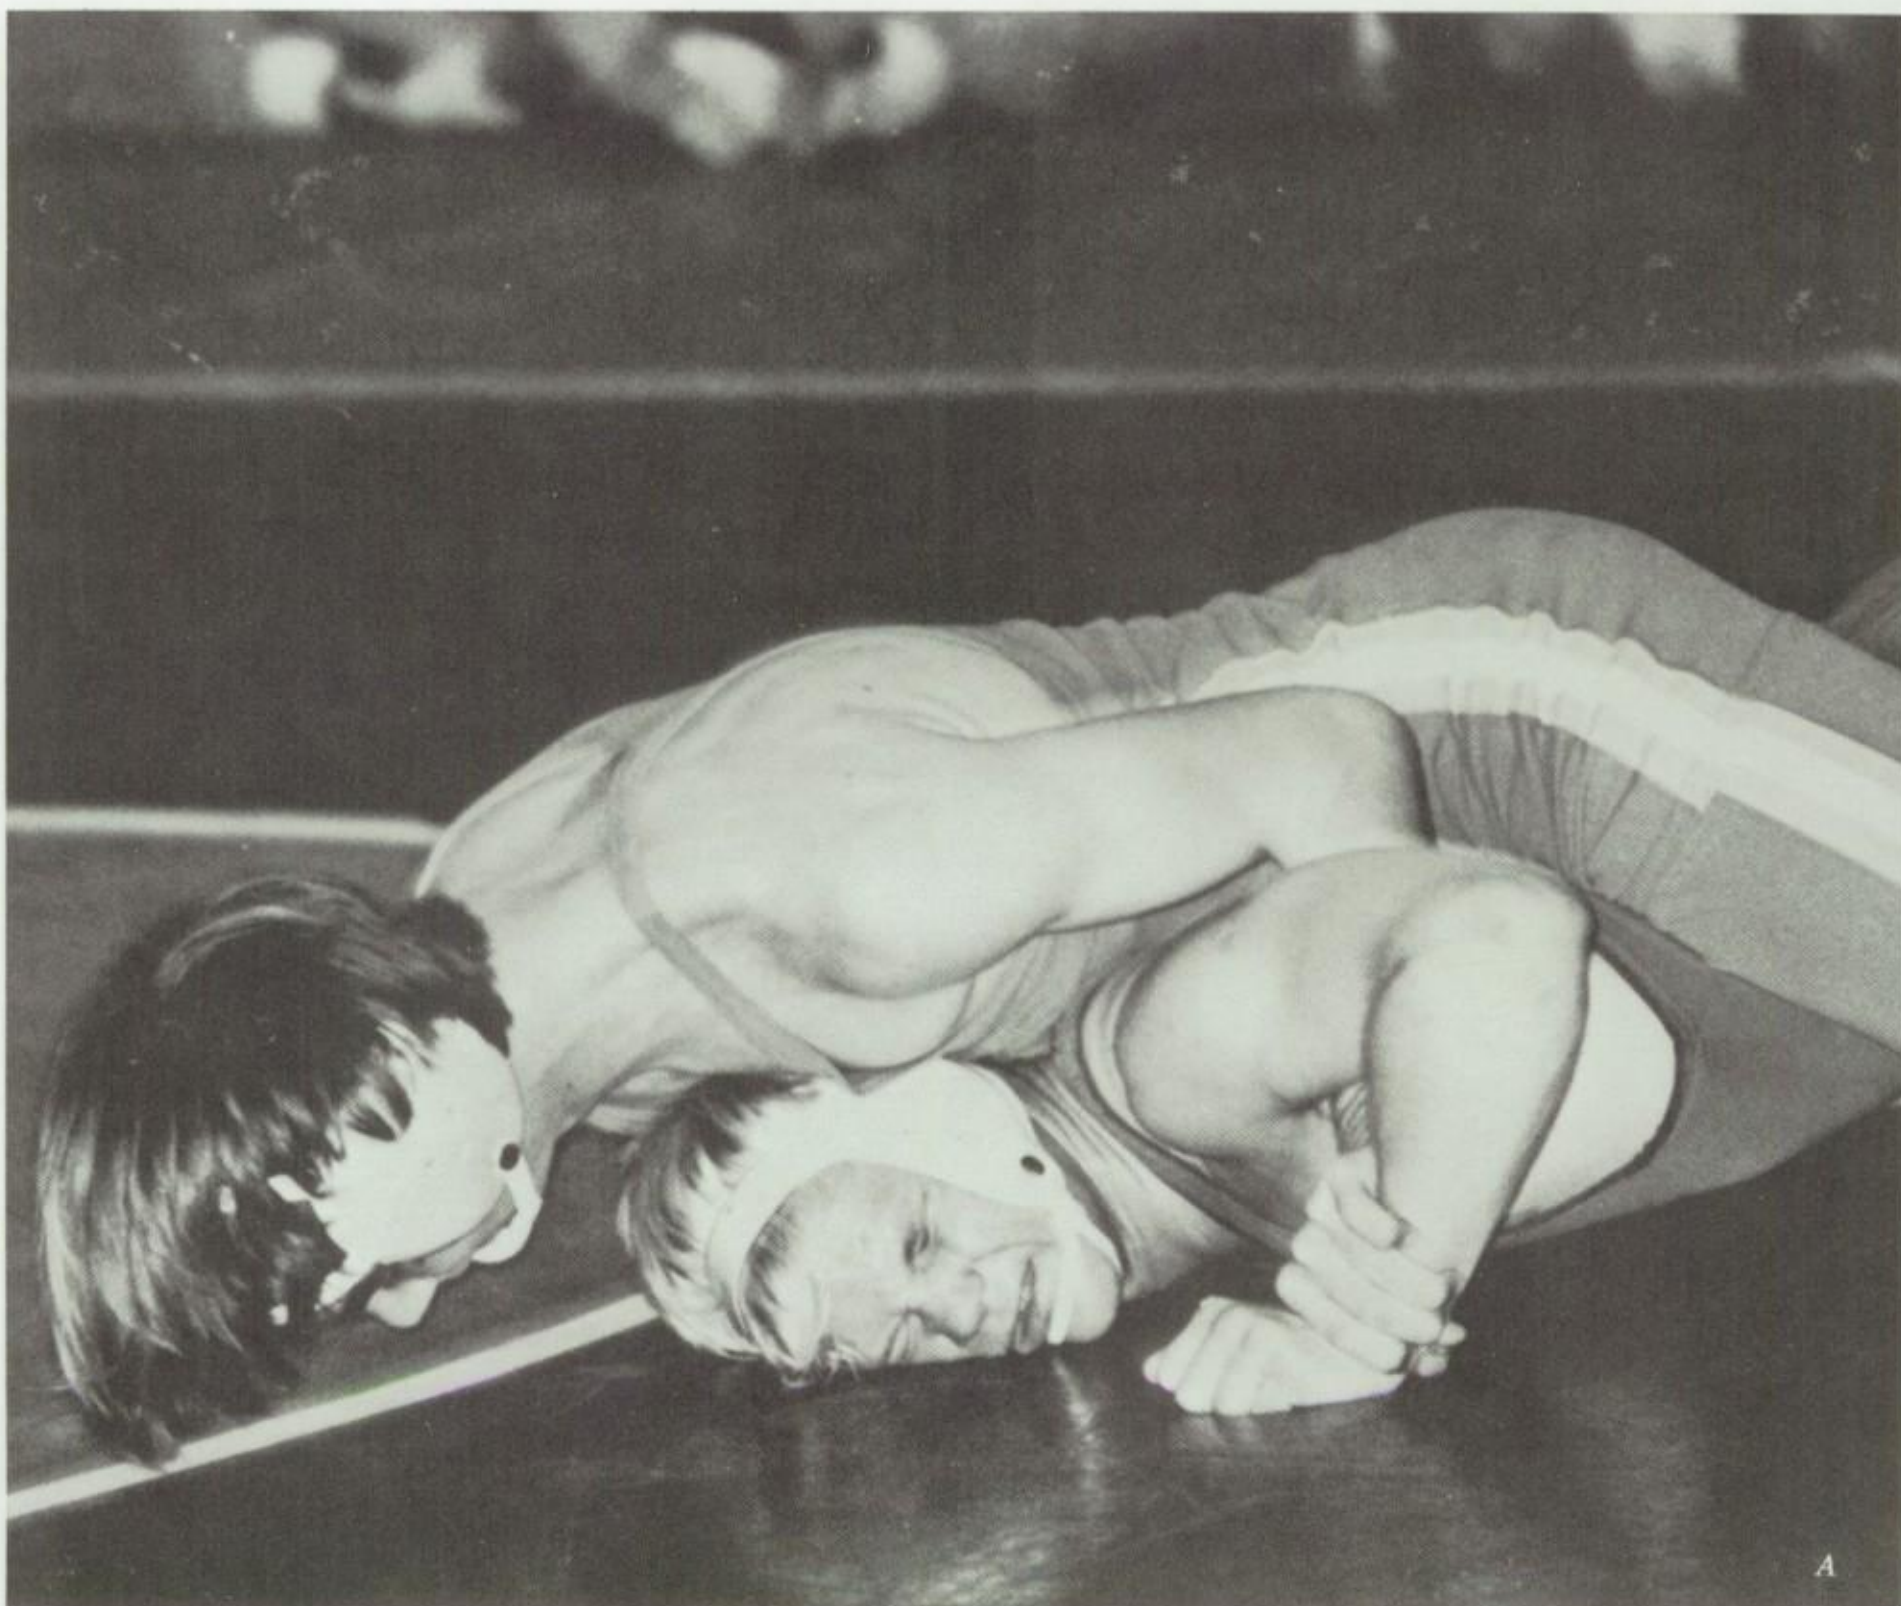

The junior varsity squad was led by rebounding standout Susie Johnson, and Lisa Colia and Doreen Oliva "who put in a lot of hustle" according to Coach Carolyn Ruhm.

Both teams played their home games at Escondido High School at 6:00 instead of 3:30 like last year.

Junior, Soph grapplers showing promise for '76

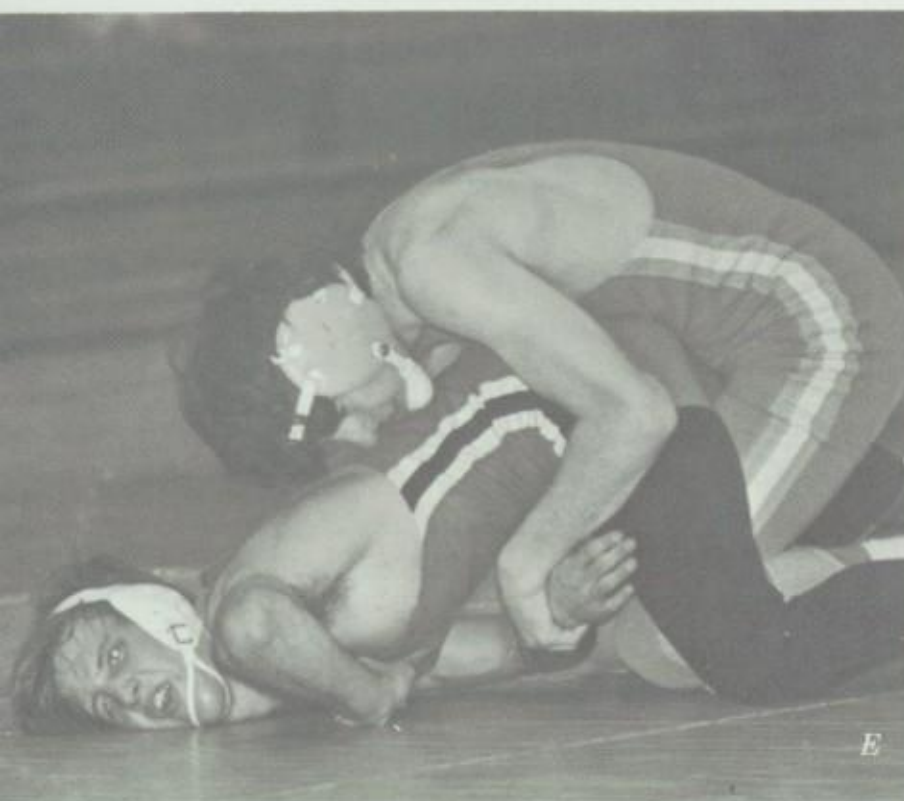

Dominated by juniors and sophomores, the San Pasqual High School varsity wrestling team is looking forward to a promising 1975-76 season. Juniors Dave Clissold, Paul Heid, Tim Heid, Ralph Radovich, and sophomore Curtis Lindblom led the squad with winning records. Seniors Jim Hollins and Dan Tolley were also among the top wrestlers. Blaise Heid and Chris Cook sported impressive varsity records as freshmen.

When asked about the season, Coach Rick Sherry said, "At times I felt the team looked good, while other times were were below power. Our high point of the season was our win over Vista. We just went out there fired up and ready to wrestle."

After the Homecoming match against the San Marcos High School Knights, Tolley and Sue Fehlhaber were crowned king and queen. The court was selected from the Golden Eagle's wrestlers and statisticians. The stats voted for their choice of king and the wrestlers cast their vote for queen.

In the 1975 Avocado League Finals held at Palomar College, Lindblom and Radovich placed third with Tim Heid and Clissold taking fourth. All four went on to San Diego section California Interscholastic Federation.

Varsity soccer starts slow; JV takes league

After getting off to a slow start this season, the Golden Eagle varsity soccer team finished with a 3-7-4 league record, while the junior varsity squad compiled a record of 10-3-1 as co-league champs.

Senior Bernie Wolfe was named to the Avocado League first team as junior Dennis Del Bosque made second team.

All three of the team's victories occurred in the second round of play with wins over district high schools Orange Glen, San Marcos, and Escondido. Mr. Richard Preston coached the team.

Under Coach Art Hale, the JV squad brought home the first San Pasqual High School soccer championship which they shared with OGHS. Most Valuable player Mark Caporale scored ten goals on the season and two assists with Jesus Rivera leading the team in assists with six. Varsity nine attack

Avo baseball season

Varsity coach Mr. Mike Basalo opened his team's baseball season with a nine inning scrimmage against Castle Park High School. Although the Eagles lost 6-3, it proved to be good practice for the squad.

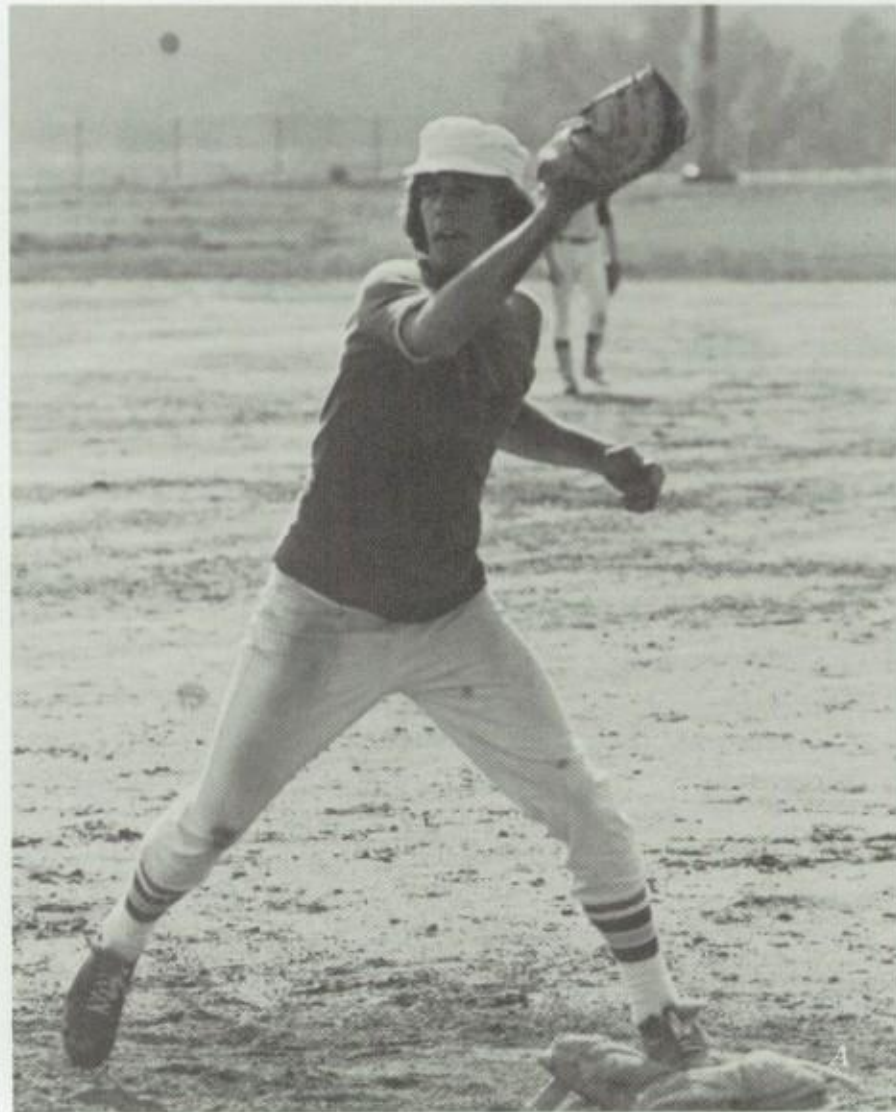

The pitching staff consisted of Tracy Hawk, Greg Springsteen, Ken Putnam, Dean Sylvester, and Scot Mitchell.

Infield positions were played by Chuck Muren, Dale Van Dam, Greg Springsteen, Ken Putnam, and Kelly Moffitt. Outfielders were Mark Redfield, Randy Larsen, and Mike Drolette. The remaining members including Steve Campbell, Mark Telfer, Rocky Tanaka, Jon Burnes, and Pete Santrach made up the second string.

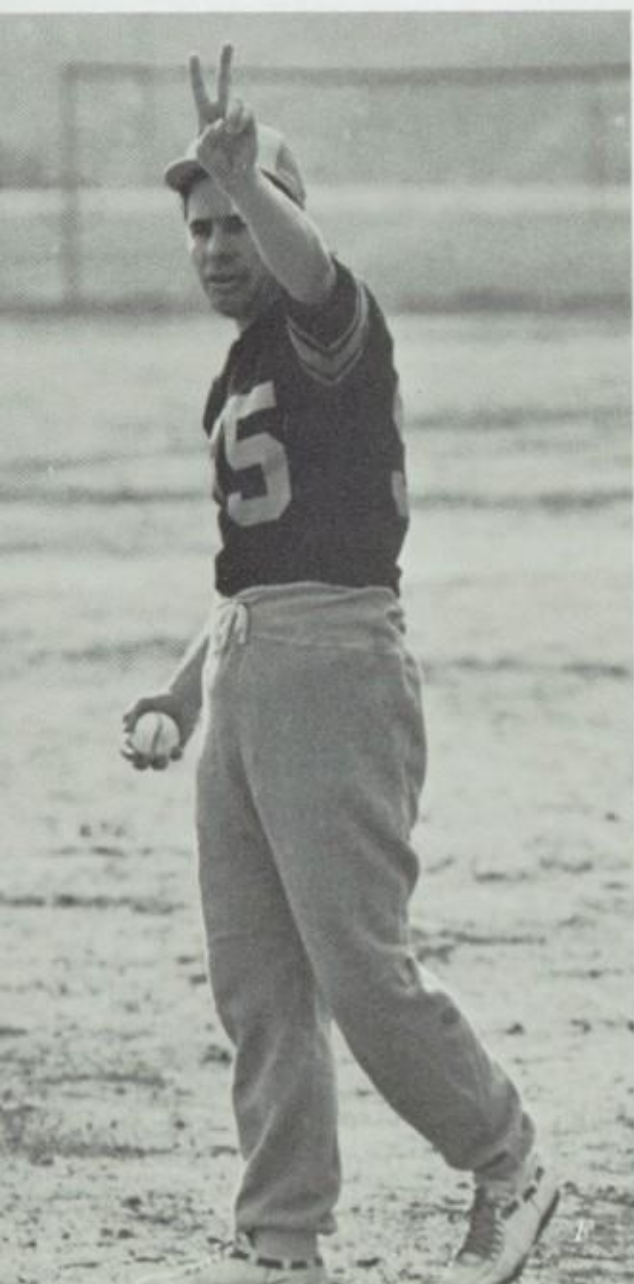

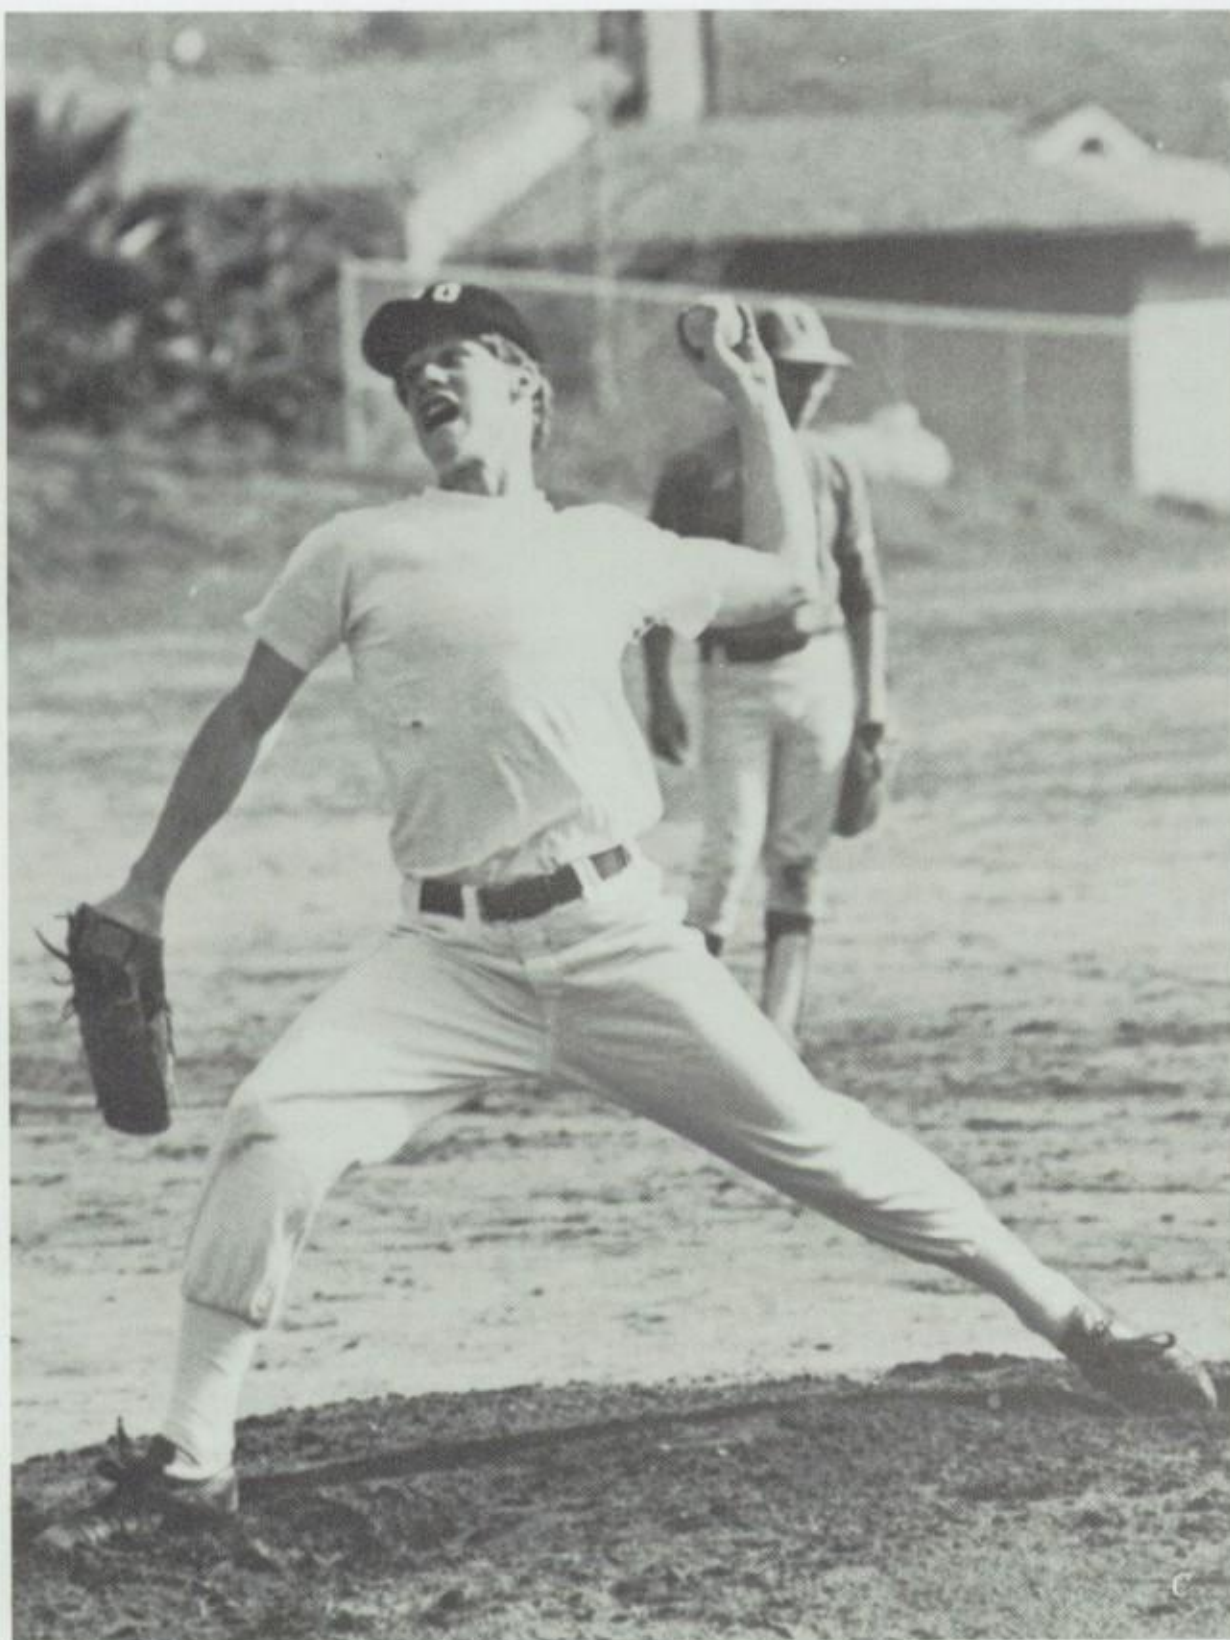

The Golden Eagle's non-league season began with a game against St. Augustine High School.

Due to rain the second scrimmage and the first non-league game were postponed till a later date.

JV, frosh baseballers challenge league teams

Both the junior varsity and frosh baseball squads were headed for unpredictable seasons according to coaches Mr. Cal Whetzel and Mr. Del Griffin.

Whetzel felt his team was completely balanced both offensively and defensively. Standouts on the mound were Pete Zajda and Ralph Weir. Filling the starting infield positions were Chip Lievers, Tom Walsh, Rusty Canalez, Cary Peet, and Tim Muren. Backing them up were outfielders/Mark Johnson, Dave Mennel, Shane Allen, and Bob Hotchkiss. John Schwartz and John O'Halloran handled the catching.

Whetzel predicted his team would finish as one of the top four teams in the league. Their goal for the year was to hold their opponents to two runs per game.

"We had some talented individuals," commented Griffin. Griffin also noted that Duane Schmidt was one of the stronger frosh hitters. Frosh leaders proved to be Rick Hansen, Luis Garcia, Don Long and Doug Sylvester. According to Griffin, the frosh baseball league usually managed to have good teams.

Track begins season with medals, new coach

It's been three years in existence for the Golden Eagles track team and three different coaches. Coach Lynn Cannon took over for Mr. Dennis McClanahan after his one year contract expired.

The season began Mar. 1 at the Palm Springs Relays where San Pasqual High School placed fourth in Division III. First place in the shot put went to Craig Miller, Eric Beljean, and Allan Farber who combined for 123'9 1/4". Junior pole vaulter Ken Sticka went over 12'6" to win a silver medal for the Eagles, while Russ Snow, Mark Caporale, and Mike Schouten got together to win second in the team high jump. Another second place was also taken in the sprint medley with Bernie Wolfe, Greg Lievers, Kent Cox, and Anthony Capone running.

In a non-league meet against Torrey Pines High School, SPHS was victorious 84-47. Sticka won two firsts in the pole vault and the 330 yards low hurdles.

The top player for the tennis team was senior Ron Peet who was runner-up in the Avocado League singles tourney last year. Also back for their senior years were Janis Johnson, and Kelley Walton.

Led by Coach Andy Arner, the varsity tennis team opened the 1975 season with a 24-1 win over Mount Carmel High School. "Ron Peet, Chuck Cichowitz, and Doug Fenske turned in outstanding performances," said Arner. The team followed the victory with a non-league loss to Madison High School 16-12.

SPHS 'has best team yet' in Eagle swimming

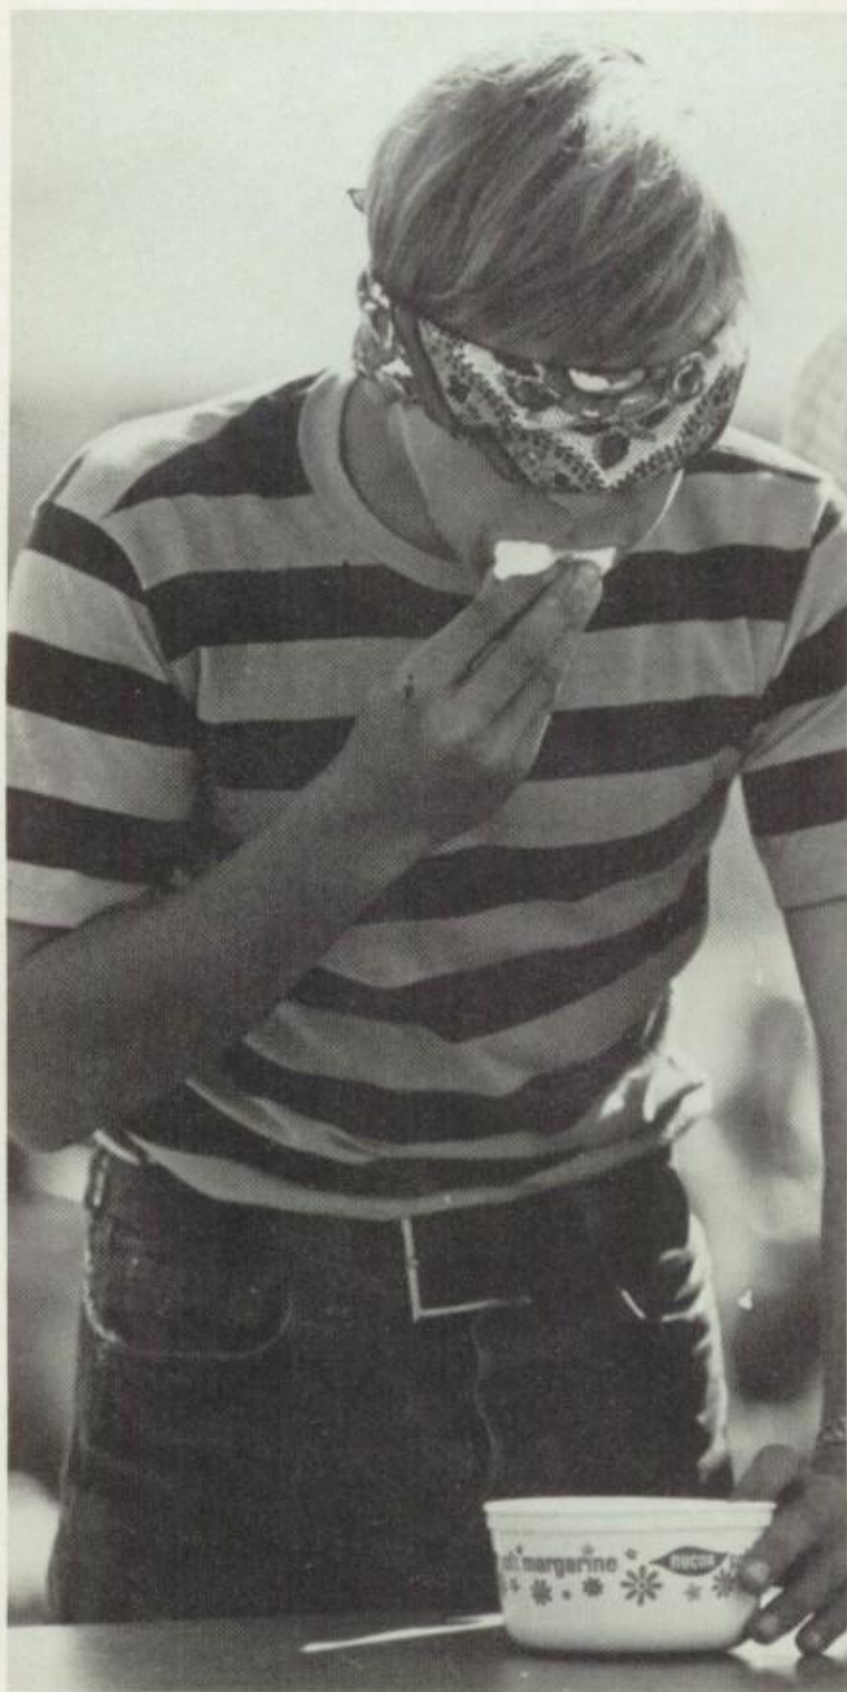

"It's the best team we've had," said swim coach Mr. Don Schirmer, "We had good quality, but not depth." Schirmer also boasted seniors Brent Krantz, Chuck Moorhead, and Greg McCord who were in their third year of varsity competition. Krantz specialized in the individual medley, butterfly, and backstroke. McCord was the league's premier distance freestyler, while Moorhead excelled in the freestyle and breaststroke.

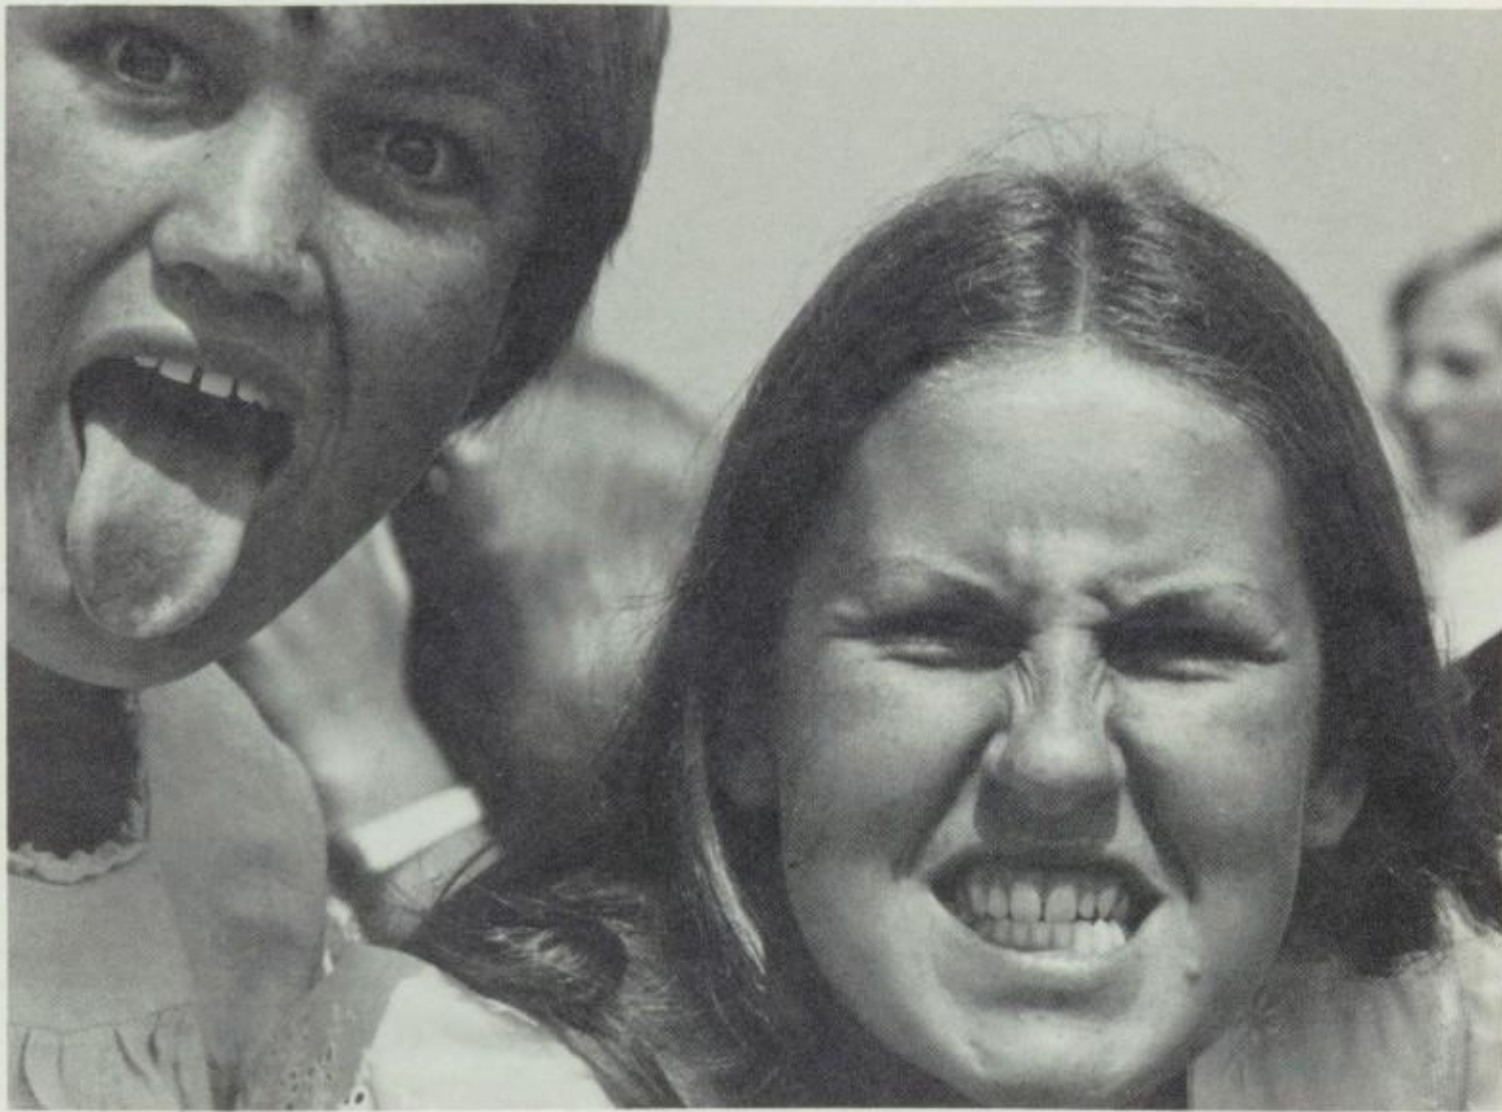

Other top Eagle swimmers were senior Troy Johnson and sophomores Jeff Hoyt, Mike Richardson, Eric Smith, and Kevin Blackwell.

San Pasqual High School's swim team started the season on a victorious note with a 94-74 win over Madison High School. Krantz set two new school records in the butterfly and backstroke clocking 55.5 and 1:00.6 respectively. Seniority proves useful in graduate's activities

San Pasqual High School's class of 1975 took advantage of their seniority throughout the year by exercising privileges designated to them. One main privilege was the Gold Pass issued at the beginning of the year for seniors that included being excused five minutes early for lunch, going to Kit Carson Park for lunch and the choice of attending pep rallies. A senior lawn was also set aside for the seniors exclusively. An Assembly was held in Sept. where the passes were given out and plans for the prom and Grad Night were discussed.

Homecoming marked the election of seniors Anne McNamee and Bob Socin as queen and king and Rosie Bastien and Bernie Wolfe as senior princess and prince. A senior float was made for the homecoming ceremonies during the week. The float carried out the theme "The Great Gatsby" with various 50's dancers and old-time music.

Halloween night seniors limed an SP on the hill behind the school to pep up the school before a game with the Cougars.

Class officers included Bob Hutchens as president, vice-president Don Danks, treasurer Patti McCarty, and Mary Bull was secretary. Graduation exercises for the class of '75 took place June 12 with the girls wearing gold gowns and the boys in blue.

Third-year class organizes prom for spring

Despite several attempts to hold after-the-game dances, the junior class was unsuccessful in sponsoring a major school activity. However the third-year group was responsible for the Junior/Senior Prom planned for May.

Members of the junior class participated in the annual Junior/Senior Powderpuff Football Game held Dec. 18, and were represented by 'cheerleaders' Bryan Herbert, Kelly Moffitt, and Mark Johnson. Mike Schouten, Mike Guminski, Bill Barend, Ken Putnam, and Mike Promisco coached the team.

Officers for the year were president Manuel Galan, Moffitt as vice-president, Guminski served as secretary, and Ruth Jacobs was in charge of financial aspects. Mr. Chuck Christianson took the responsibility of being advisor.

Constructed at Carrie Ruchala's house, a float was entered by the upperclassmen for the Homecoming ceremony. Princess Carol Telfer and Prince Dale van Dam represented their class in the Homecoming royalty.

A) Officers for the junior class were (Front) Kelly Moffitt, Ruth Jacobs, Mike Guminski, (Back) Manuel Galan, and advisor Mr. Chuck Christianson. B) Sue Jablonski, Doug Fenske, Susan Cutler, Arlene Schmidt, Mike Davis, Mike Frey, Laurie de Julien, Anna Lund, and Mitch Davis represent the third-year class in Homecoming on a roaring 20's float. Sophomore class lacks organized activities

Not being involved as much as they hoped to have been, the sophomore class officers had many ideas that were not carried through.

The school year started off with the absence of previously elected vice president Debbie Overton, who moved away. Margaret McNamee took her place as Tim Muren remained as president, Sue Ghirardi kept notes as secretary, and Liz Kalina managed the monetary aspects. Mr. Robert Ritter advised the class.

No class meeting was held, however the officers met frequently. Representatives from the second-year class for Homecoming royalty were Liz Kalina as princess and prince Garth Wilson.

In a first-year Spanish class, tenth-grader Debbie Griffin finishes up on assigned work.

Students enthusiastic in first year at SPHS

This year's freshmen class proved to be one of the most spirited groups ever at San Pasqual High School. At the pep rallies, they continuously won class competition by cheering the loudest or eating marshmallows the fastest.

The ninth-graders were welcomed by members of the senior class in the beginning of the year when initiation went on for two weeks.

On Homecoming night, the class of '78 was represented by princess Nancy Dilworth and prince Jim Woods. Highlighting the event was the winning of first place for their float entry of a "machine gun" and members of the Al Capone gang.

A) Freshmen class advisor Mr. Gary Hanel takes over a class meeting along with president Phil Lane. B) Danny Robbins drinks-up in a baby-bottle drinking contest at a frosh assembly. T-A Journalism Scholarship winners on campus at Palomar College, where they now major in journalism: Ted Witt, '74 winner, on TELESCOPE staff, and Diane Slezak, '73 winner and present editor of the TELESCOPE.

Glae Thien, first T-A scholarship award winner in '72, Palomar graduate last June now working full time as Palomar sports publicity director, with enrollment at San Diego State as junior journalism major the next step to his career.

We congratulate the greatest high school winning team of them all: you, your teachers, the school administration, your parents, the dedicated Board of Education.

Working together, you've produced a pretty wonderful human being—a high school graduate. You've achieved a goal, a great one.

RIGHT ON!

So what next? Are you now educated? Where do you go from here?

RIGHT ON!

Right: your education never ends. Life itself sees to that! Even your formal education, in today's demanding world, adds up to another four years or more.

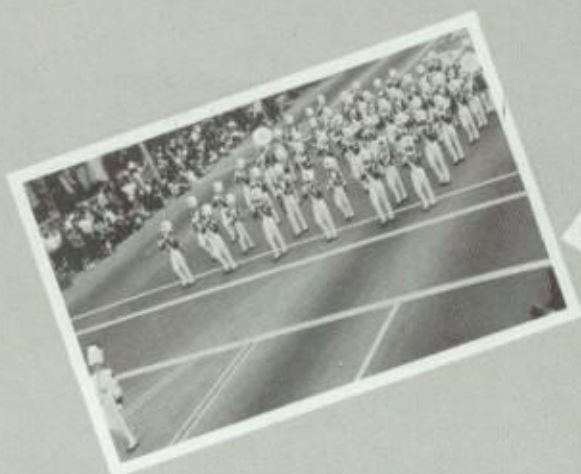

Take a break, tell yourself "so far, so good," and then move ahead; go

RIGHT ON!

Golden Legend 1975

Have a purpose and a goal
but keep a corner of your life
for reflection.

**It's how you live the day-to-day
that allows you to enjoy
the upward climb.**

**Strive to become
but appreciate who you are
Life is an upward climb -and
you are on your way.**
